General notes

Please read these instructions before working the pattern. If you find any mistake, please report it to DioneDesign@email.cz.

The beginning of each part

There are two options (I always use the second option. There are no holes at the beginning if you use the loop):

1. Start with chain 2 and work every first round into the first stitch made.
2. Start with a magic circle (adjustable loop) and work number of stitches in the first round into the loop.

Changing rounds

Do not replace crochet stitches by chain stitches at the beginning of each row. Instead make endless spiral. Crochet a first stitch of the row in first stitch of previous round. Use a stitch marker to remember of the beginning of the round. How to mark beginning of a row is demonstrated on pictures below.

Loose ends

At the beginning and the end of a piece leave a tail of at least 15 cm or even longer, because most of these can be used for sewing. Loose ends you do not use anymore can be pulled through some stitches on the inside of the piece and cut off.

Pattern

Eyes (work 2x)

Now stuff the body

Ears (Baby, 2x häkeln)

R 1: Work with beige. Make 6 CH. 1 **Hdc** in second CH from hook, 1 **DC** in next 4 CH. (5)

Sewing

Now we have all the parts we need to complete the kangaroo and we can start with the sewing.

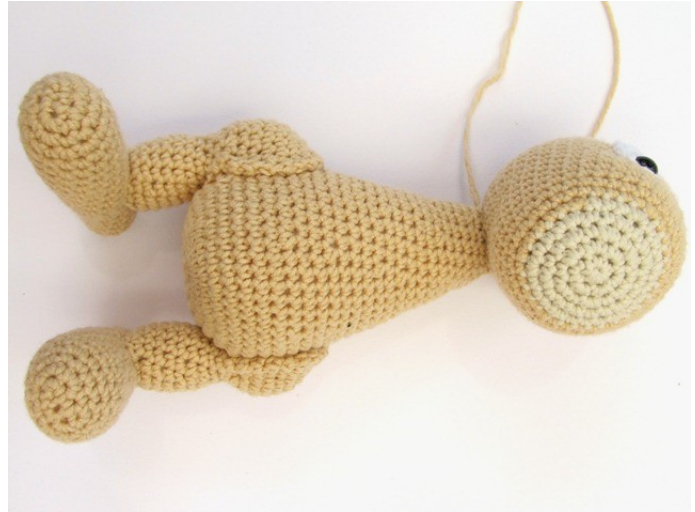

1. First we sew the eyes on the head
2. Then we sew the head and the body together..

3. Now we sew the legs on the body. Make the legs flat and sew them on the perimeter. Stuff the legs.

4. Then we sew the feet and the legs together. Stuff the legs during the sewing.

5. Now we sew the tail on the back.

6. Now we sew the ears on the head. First fold the ears in half and sew the edges with on stitch together. Then sew the ears on the head.

7. Then sew the arms on the body.

8. Now we complete the baby. First we sew the head and the body together and the ears on the head.

9. Now we will sew the pocket on the belly. Place the pocket on the belly and insert the baby inside the pocket. Then fix the pocket with 2 pins, take out the baby and sew the pocket on the belly (on perimeter).

10. Then make the nose.

11. Finally sew the nose and the eyes of the baby.

Kangaroo with baby is finished!
