Special Stitch Explanations

Sc2tog

Insert hook into stitch, wrap yarn round hook and draw up a loop. Insert hook into next stitch, wrap yarn round hook and draw up a second loop. You will now have 3 loops on hook. Wrap yarn round hook again and draw through all 3 loops on hook.

sc3tog

Insert hook into stitch, wrap yarn round hook and draw up a loop. Insert hook into next stitch, wrap yarn round hook and draw up a second loop. Insert hook into next stitch, wrap yarn round hook and draw up a third loop. You will now have 4 loops on hook. Wrap yarn round hook again and draw through all 4 loops on hook.

Gauge (Tension)

Exact gauge is not crucial for this pattern. Just make sure your crochet hook size gives a tight fabric that the stuffing can't poke through.

Mini Party Treats should measure approximately 2-3" (5-8 cm) with the yarn and hook specified above.

Color Change Ends

Tie off and trim your color change ends as you go. Tie securely on the inside of your work. With amigurumi crochet it can be difficult to reach the ends once you have crocheted too many rows above.

Embroidered Stitches

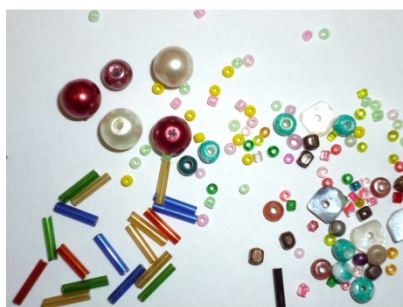

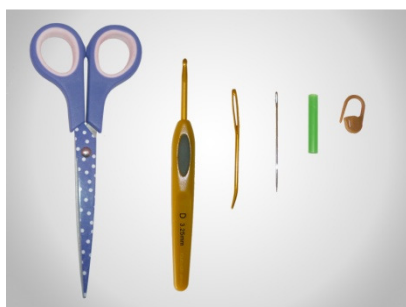

To hide the starting and fastening off ends of embroidered stitches, first thread your yarn needle with the appropriate yarn. Tie a knot in the end of your yarn and push needle into and out of toy between crochet stitches, coming out where you want the first embroidery stitch to be. As you pull on the yarn the polyester toy filling will catch the knot securely inside the toy. When you have worked the required embroidery stitches you can finish off by passing the needle in and out between different crochet stitches a few times until the yarn is securely caught up in the polyester filling. When secure, pull on end of yarn and snip off close to toy.
