NOTES:

I designed, this one a little differently. I thought it would be fun to make him in parts so you have the option to do which ones you like or all of them. You can make just the Head, or have his "pieces" spread across 2, 3 or more squares on a baby blanket, for example.

In reference to the movie, he falls apart...so this pattern gives you the option to duplicate just that. Make him your own and have fun!

IMPORTANT!

Remember when you finish a piece to either weave in your ends, or leave a tail for sewing, depending on how you are going to use your piece. If you change your mind later, you can always sew a piece on with a new piece of yarn.

Samples shown on 6" square to give you an idea of finished size.
