CATWALK

Fashion by Day

Current fashion seems to be dedicated to women who get involved, take care of their children, meet important decisions daily, who manage every day life and bear responsibility. With wearable, but never boring day-outfits, comfortable, chic and casual. To this belongs the Easy-Glam look from Isabel Marant, mixed with different materials like the moderate hippie style from Missoni or the richly

contrasted color blocking, with which Rodarte sent his girls onto the catwalk. Practical and functional details taken from sportswear, cables, bobbles, wave textures and loads of vibrant colors like orange, blue or green bring a breath of life into the daily grind. Vibrant fashion with which one can enjoy summer to the full.

A woman with dark hair is standing in a desert landscape, leaning against a tree. She is wearing a kimono cardigan with orange and cinnamon brown patterns and eyelet diagonals, and bright red pants. She is barefoot and has a bracelet on her right wrist. The background shows a sandy dune and a clear sky.

↑ Orange and cinnamon brown for magical flower motifs, eyelet diagonals for the carmine red knitted background – from this emerges the expressive kimono cardigan in lightly-flamed cotton-linen yarn.

A woman with long dark hair is standing on a sand dune under a clear blue sky. She is wearing a sleeveless, off-the-shoulder top made of a textured knit fabric. The top features a color-block design with a mustard yellow upper section and a deep red lower section. She is also wearing mustard yellow cropped trousers. Her accessories include a matching yellow and orange headband, a long necklace with a large red teardrop pendant, several bangles on her right wrist, and a red ring on her left hand. The background shows rolling sand dunes with some sparse vegetation in the distance.

7 The sleeveless pullover makes an impression – through shimmering silk ribbons, the intensive color-blocking and not least due to a wave pattern which is easy and quick to knit.

Long-Tail or Double Cast-on

Work this cast-on with 2 strands of yarn held tog. The additional thread needs to have at least twice the length of the desired cast-on edge. Make a slip knot. Wrap tail end of yarn around your left thumb and working yarn around your left index finger. Secure ends of yarn with your other fingers in the palm of your hand, so as to keep gauge on the yarn. Insert tip of your needle through loop of tail yarn on your thumb bottom to top. Keep needle in the loop on thumb, take needle around working yarn held on left index finger top to bottom. Draw this through loop of tail yarn on your thumb to create a stitch on needle. Remove your thumb from loop and pull on tail to tighten stitch (avoid making it too tight). Continue like this until desired number of stitches has been cast on. Always work 1 WS row P after cast-on row.

How to work a tension swatch!

Before you start your knitting you should make a tension swatch to check your stitch gauge. This saves you trouble later. Apart from this you can at some point make an unusual patchwork blanket from different trial swatches – which makes it all worthwhile. Work a swatch at least 15 x 15 cm long at the sides. Then make a 10 x 10 template out of stiff cardboard. When you place the template on your swatch, you can easily count the stitches and rows. If your swatch turns out to be too small, you should work with a larger needle size. If it is too big, use smaller needles – assuming you work with the yarn stated in the instructions.

Choosing the right size needles

The needles sizes given on the yarn band are only approximate. If you knit very loosely, use a smaller needle size and vice-versa. If you knit too loosely the yarn can unravel within the stitches, thus fluffing and pilling.

Brown Poncho

Sizes: 10–14 (16–20)

Materials: 400 (500) g brown (col 249-987) „Bandana“, (50% cotton, 50% polyester, RL = 90 m/50 g) from JUNGHANSWOLLVERSAND. One 4.5 mm and 6 mm ADDI crochet hook each.

Border pattern with 4.5 mm crochet hook: Work sc in rnds, beg each rnd with 1 ch (counts as first sc) and ending with sl st in first ch to join.

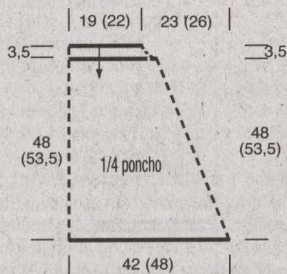

Basic pattern with 6 mm crochet hook: Work double treble crochet (dtr) into rnd, thereby beg each rnd with 5 ch (counts as 1st dtr) ending with sl st in top of initial 5 ch. From 2nd rnd stagger dtr throughout, i.e. insert hook between dtr of prev rnd, thereby at beg of each new rnd sk first ch space so that the stitch count remains the same.

Gauge worked over border pattern: 11 sc and 5 rnds = 10 x 3.5 cm; in **basic pat:** 9 dtr and 3.75 rnds = 10 x 10 cm.

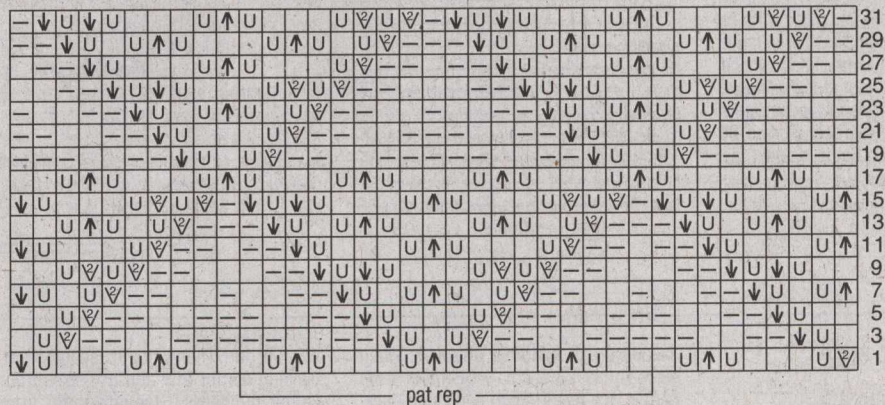

Note: Work poncho from top to bottom. Arrow in schematic = direction of crochet.

Instructions: Make 84 (96) ch and join with sl st to ring. For shoulder border work 3.5 cm = 5 rnds in basic pat. After 1st rnd mark 21st (24th) and 63rd (72nd) dtr from beg of rnd. For flared shape on foll rnd inc 4 dtr, thereby after each marked dtr work 3 dtr in ch spaces and mark center of these dtr anew = 88 (100) dtr. Rep these incs another 16 (18) times on every rnd, thereby work the 3 dtr * on foll rnd before, and on next foll rnd after, the marked dtr of prev rnd, rep from * throughout, so that the incs always lie staggered above each other. When 48 cm = 18 rnds (53.5 cm = 20 rnds) have been worked from border, fasten off across 152 (172) dtr.

Finishing: Turn poncho so that back lies to outside, ensuring that the knots of sc in shoulder border are visible. On lower edge of poncho, at a distance of 3 dtr each, hook in 1 fringe in ch sp. For each fringe cut three 48 cm long strands, double and knot through with crochet hook. Shorten fringes equally to about 20–21 cm. For straps, with double yarn loop approx. 13.5 (15) cm before center of an increase line to CO edge of shoulder border, work a 30 cm long ch (try on!) and attach again to CO edge after center of same increase line.

Applies to both subsequent patterns: Multiple of 8 + 2 + 2 selv sts. Beg with 1 selv st and st before pat rep, rep pat throughout, end with st after pat rep and 1 selv st.

Lace pattern with 5.5 mm needles and olive: Work acc to chart 1. RS rows are shown. On WS rows work sts as they appear, purl yos. Rep rows 1 – 8 throughout.

Cable pattern with 4 mm needles and khaki: Work acc to chart 2. RS rows are shown. On

Gauge over lace pattern: 17.5 sts and 21 rows = 10 x 10 cm; **over cable pattern:** 29.5 sts and 29.5 rows = 10 x 10 cm.

Back: With 5.5 mm needles and olive CO 100 (116) 132 sts and work 1 WS row. This will not be observed in foll calculations. Then work in lace pat. When work meas 38 cm = 80 rows from beg, change to 4 mm needles and khaki and work in cable pat. **Neck shaping:** when

Transfer sts back to left needle and knit tog tbl without letting sts slide from needle, yo 1 and again k3tog tbl, rep from * throughout. **3rd and 4th rows:** knit. Rep rows 1 – 4 throughout.

Pattern sequence: * St st 9, 1 WS row k, rep from * 8 times, then work in St st. **Gauge over pat rep:** 10 sts and 16 rows = 10 x 10 cm; **sleeve borders:** 14.5 sts and 11 rows = 10 x 9 cm; **eyelet pat:** 12 sts and 8 rows = 10 x 10 cm.

Back: Cast on 44 (48) 54 sts and work 3 rows in g st for border, beg with 1 WS row. Then cont in pat sequence. **Waist shaping:** dec 1 stitch each side on 21st, 31st and 41st rows = 38 (42) 48 sts. Then inc 1 stitch each side on 51st and 61st rows, keeping to pat = 42 (46) 52 sts. **Armhole shaping:** when work meas 41 cm = 66 rows from border, BO 3 sts at beg of next 2 rows and on foll 2nd row BO 1 stitch once = 34 (38) 44 sts. **Neck shaping:** when work meas 58.5 cm = 94 rows (60 cm = 96 rows) 61.5 cm = 98 rows from border, place center 18 sts on holder and cont both sides separately. Yellow Tunic with

Pull-Thru Tie-Band

Sizes: 10/12 (14/16)

Materials: 400 (450) g yellow (col 12) „Classico“ (100% cotton, RL = 110 m/50 g) from LANA GROSSA. One pair 3 mm LANA GROSSA quick-knit needles and one 3 mm LANA GROSSA crochet hook.

Lace pattern: Multiple of 18 + 0 (10) + 2 selv sts. Work acc to chart. RS rows are shown. On WS rows work all sts as they

appear, purl yos. For 1st size beg with 1 selv st, rep pat throughout, end with 1 selv st, thereby on 7th pat row do not work grey-anderlined yo at beg of row and gray anderlined sts k2tog at end of row, but work k1 instead. For 2nd size beg with 1 selv st and sts before pat rep, rep pat throughout, end with sts after pat rep and 1 selv st, thereby on 7th pat row work gray-anderlined sts as shown. Rep rows 1 – 16 for both sizes.

Chain Arch in rows: Initial multiple of 11 sts. Work in rows acc to crochet chart 1. Every row begs with 1 extra turning ch and with sts before pat rep, rep pat

throughout, end with sts after pat rep. Work rows 1 – 5 once.

Chain arch in rnds: Initial multiple of 11 sts. Work in rnds acc to crochet chart 2. Every rnd begins with ch1 (counts as 1st sc) rep pat throughout, end with sts after pat rep and 1 sl st in 1st ch to join. **Note:** the sts leading from 1 rnd to next are calculated as 1 pat rep. Work rnds 1 – 5 once.

Frill pattern: Initial multiple of 12. Work in rnds acc to crochet chart 3. Every rnd begins with ch1 (counts as 1st sc) rep pat throughout, beg with sts after pat rep and sts before beg of rnd and end with sl st / 1 dc in 1st ch (substitute sc). Work rows 1 – 7 once. **Note:** the sts leading from 1 rnd to next are calculated in text as 1 pat rep. As length increases chain arches will be added, keeping to pat, so that the frill falls in a bell shape when garment is finished.

Gauge over lace pattern: 21 sts and 29 rows = 10 x 10 cm; **arch pat in rows and rnds:** 1 pat rep and 7 rnds = 6 x 8.5 cm (up to arch point).

Back: Cast on 92 (102) sts and work 1 WS row purl. This row is not observed in foll calculations. Then work in lace pat.

Armhole shaping: when work meas 43 cm = 124 rows (45.5 cm = 132 rows) from beg, BO 1 stitch at beg of next 2 rows, then on every alt 2nd and 4th row BO 1 stitch each. **AT THE SAME TIME** as 1st armhole dec, BO center 2 sts for V-neck and finish both sides separately. For neck opening slants BO 1 stitch each every 2nd row 7 times and on every alt 2nd and 4th row 12 (14) times. With all decs make sure that yos and ktog sts even out within pat. When work meas 60.5 cm = 176 rows (66 cm = 192 rows) from beg, BO rem 8 (9) shoulder sts each.

Front: Same as for back, but for deeper neck opening, when work meas 36 cm = 104 rows (38.5 cm = 112 rows) from beg, BO center 2 sts and BO off 1 stitch each every 2nd row 3 times and on every 4th row 16 (18) times for neck slants.

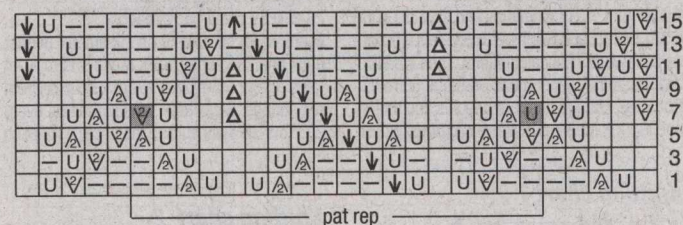

Finishing: Join shoulder seams. Join yarn to point of front neck and work around neck opening edges in ch arch pat in rnds, thereby on 1st rnd, work 88 (93) sts across front and back slants up to center back, at center back work 0 (1) sc and work 88 (93) sts across back and front slants up to front point = 176 (187) sc / 16 (17) pat reps. Finish after 3 cm = 5 rnds. Work ch arch pat across armhole edge slants in rows, thereby on 1st row work 66 (77) sc each across shoulders = 5 (6) pat reps + beg and end sts. Finish after 3 cm = 5 rows. Join side seams and ch arch seams. Join yarn to a side seam

and work across lower edge in frill pat, thereby on 1st rnd work 90 (102) sc each across front and back = 180 (204) sc / 15

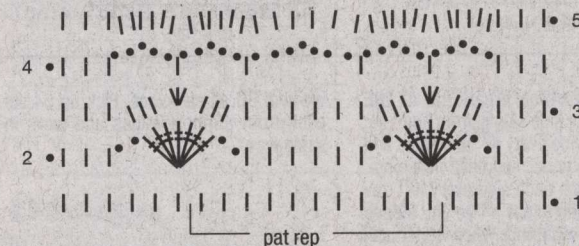

(17) pat reps. Fasten off when frill meas 8.5 cm = 7 rnds. For tie-band crochet an approx. 160 (170) long ch and work 1 row

dc across. Pull band evenly through lace pat from and up to center front approx 10 cm from knitted CO border.

Finishing: Join shoulder and side seams. Work 2 rnds sc and 1 rnd crab st (= sc from left to right) around armholes and neck opening edges. For rolled edge, with circular needle pick up 314 (338) sts from lower edge and work rnds in St st. For the balloon effect evenly dec 134 sts on 2nd rnd = 180 (204) sts. Lace pattern: Initial multiple of 17 + 2 selv sts. Work acc to knitting charts 1 to 3. RS rows are shown. On WS rows work all sts as they appear, purl yos. Beg with 1 selv st and sts before pat rep, rep pat throughout, end with sts after pat rep and 1 selv st. The lace pat consists of 2 sections: for the leaf pat, work rows 1–52 once for all pieces, then for eyelet stripe pat work acc to chart 1 for back, chart 2 for left front and chart 3 for right front, working rows 53 and 54 in each instance, then work rows 55 and 56 throughout; for a better overview, the 51st row of leaf pat is given again under charts 2 and 3. Do not work these any more.

Rib pattern: Multiple of 4. After stitches have been CO, beg with 1 WS row: selv st, p2, * alt k2, p2, selv st. On RS rows work sts as they appear.

Gauge over lace pat (leaf bat, 1st – 52nd rows): 24 sts and 32 rows = 10 x 10 cm; **(eyelet stripe pat, from 53rd row):** 24 sts and 30 rows = 10 x 10 cm.

Back: CO 104 (138) sts and work 1 cm = 3 rows for border as foll: 1 WS row k, 1 RS row p and 1 WS row p. Then cont in lace pat acc to chart 1. When work meas 16 cm = 52 rows from border, the leaf pat is finished. Cont as described for eyelet stripe pat, thereby for light waist-shaping, dec on 53rd row as indicated = 87 (115) sts. Note: the eyelet stripe pat is slightly stretched at the beginning due to decs, but pulls itself lightly back tog with increasing length. This is shown as slanting in schematic. **Armhole shaping:** when work meas 30.5 cm = 92 rows from end of leaf pat, BO 3 sts each at beg of next 2 rows, then on every 2nd row BO 1 stitch each = 77 (105) sts. **Neck shaping:** when work meas 47 cm = 142 rows (50.5 cm = 152 rows) from end of leaf pat, BO center 47 (51) sts and finish both sides separately. Garter stitch: Knit RS and WS rows.

Pattern mix: Multiple of 4 + 2 selv sts / 10 + 1 + 2 selv sts. Work acc to chart. All RS rows are shown and some WS rows. On unmarked WS rows work all sts as they appear / as given in chart key, purl yos / work as shown. On rows 1 – 58 and 75 – 118 beg with 1 selv st and sts before pat rep, rep pat = 4 sts throughout, end with sts after pat rep and 1 selv st. On rows 59 – 74 beg with 1 selv st, rep pat = 10 sts, end with st after pat rep and 1 selv st. The pat rep is framed in chart for a better overview. Work rows 1 – 118 once, then rep rows 1 – 52 (58) once = 170 (176) rows altog.

Gauge over pat rep: 20 sts and 22.5 rows = 10 x 10 cm. Note: the design hangs a little when worn. Our gauge is taken from garment laid out flat.

Back: CO 90 (106) sts and work 1 cm = 3 rows g.st, beg with 1 WS row. Then cont in pat mix. Inc 1 stitch at end of 11th row = 91 (107) sts. Inc 1 stitch each side on 55th row, additionally, for 2nd size, also evenly inc another 4 sts on

All incs and decs are indicated and serve to even out pat and are therefore not observed in schematic. When repeating rows 1 – 52 (58), carry out incs on 11th pat row, but do not work any more incs on 55th pat row. **AT THE SAME TIME**, for armholes, when work meas 52.5 cm = 118 rows from border, BO 3 sts each at beg of next 2 rows, then on every 2nd row BO 2 sts each once and 1 stitch each 3 times = 74 (90) sts. **Shoulder shaping:** when work meas 72 cm = 162 rows (75 cm = 168 rows) from border – there are 75 (91) sts on needle – BO 5 (7) sts each at beg of next 2 rows, then on every 2nd row 5 (7) sts each twice and 6 sts once. **AT THE SAME TIME** as shoulder decs BO center 9 (13) sts for neck opening and finish both sides separately. neck opening, when 2 cm = 7 rows (3.5 cm = 11 rows) have been worked from end of 2nd frill / after 9 cm = 29 rows (11.5 cm = 37) rows from end of lace pat, place center 18 (24) sts on holder and finish both sides separately. For rounding at inside edge, on every 2nd row leave 2 sts each unworked 4 times, thereby before each of sts to be left unworked, turn, slip 1st stitch from foll row, pulling yarn tightly, 34 (40) sts rem on needle. For 3rd frill CO 112 (132) sts and work 1 WS row kwise. Then work 12 (16) rows St st, thereby on every row acc dec 1 stitch each side 12 (16) times = 88, (100) sts. Front: Same as back.

Yoke: Knit 34 (40) sts for back from holder, for first strap CO 34 (38) new sts, then knit 34 (40) sts for front and CO 34 (38) new sts from 2nd strap. Join work to rnd and work in St st over all 136 (156) sts in rnds.

Leaf pattern: Multiple of 10 + 1 + 2 selv sts. Work acc to chart. RS rows are shown. On WS rows purl all sts and yos. Beg with selv st and sts before pat rep, rep pat throughout, end with sts after pat rep and selv st. Rep rows 1 – 16 throughout.

Stockinette stitch: RS rows k, WS rows p.

Yoke pattern: Work sc in rows, work 1 extra ch (turning ch) at end of each row. **Gauge worked over leaf pat:** 19 sts and 25 rows = 10 x 10 cm; **over yoke pat:** 16 sc and 10 rows = 10 x 4.5 cm.

Back: CO 103 (113) 123 sts and work 1 WS row kwise. This row is not observed in foll calculations. Then work in leaf pat. For A-line from beg, on every 10th row dec 1 stitch each side 6 times and on every 8th row dec 1 stitch each 4 (5) 6 times = 83 (91) 99 sts. When working decs make sure that yos and knitted-tog sts even out within pat, eventually work incomplete pat reps in St st. **Armhole shaping:** when

work meas 38.5 cm = 96 rows (41.5 cm = 104 rows) 45 cm = 112 rows from beg, BO 3 sts each at beg of next 2 rows, then on every 2nd row BO 1 stitch each 2 (4) 6 times = 73 (77) 81 sts. **Neck shaping:** When work meas 40 cm = 100 rows (43 cm = 108 rows) 46.5 cm = 116 rows from beg, BO center 19 (23) 27 sts and finish both sides separately. Right front: Work to correspond to left front, reversing shapings, thereby for the

2nd size divide leaf pat as foll: beg with 1 selv st, work pat rep 5 times, end with st after pat rep and 1 selv st, but on every 1st, 3rd, 5th and 7th pat row after selv st on first pat rep knit only 2 sts tog so that the stitch count remains even.

Finishing: Join side seams. Work 36 (38) 40 sc over neck opening of right front, make 31 (33) 35 ch for right strap, work 73 (77) 81 sc over back neck opening, make 31 (33) 35 ch for left strap and work 36 (38) 40 sc over neck opening of left front. Work yoke pat over all 207 (219) 231 sc. For shaping on 3rd yoke row work 4 (7) 10 sc then work 2 sc tog, then work every 6th and 7th sc tog 28 (29) 30 times, ending with 5 (7) 9 sc = 178 (189) 200 sts. On 5th yoke rnd at each transition from front / back to straps work 3 sc each tog = 170 (181) 192 sc. On 9th row work 6 (5) 5 sc, then work 2 sc tog, then work

every 11th and 12th sc tog 13 (14) 15 times, ending with 6 (6) 5 sc = 156 (166) 176 sts. When 4.5 cm = 10 rows border have been worked, fasten off. Join new yarn to lower edge of right front, work 1 row sc over right front and narrow edge of yoke, yoke and left narrow yoke and front

edges, thereby working 3 sc into each of upper corners of yoke. Then work 1 row crab st (= sc from left to right), thereby work 3 button loops at right upper narrow yoke edge as foll: * skip 1 cm of edge with 3 ch, crab st 2, rep from * once more, skip 1 cm of edge with 3 ch, then work crab

Sizes: 12/14 (16) 18/20

Materials: 900 (900) 1000 g Khaki (col 0099) „Big Cotton“ (100% cotton, RL = 80 m/100 g) from LANG YARNS. 1 pair each 5 and 6 mm ADDI quick-knit needles.

Rib pattern with 5 mm needles: even number of sts. Work alt k1, p1 between selv sts.

Work all further patterns with 6 mm

needles.

Stockinette stitch: RS rows k. WS rows k.

Reverse St st: RS rows p, WS rows k.

Vertical rib pat: Work alt 2 rows St st and 2 rows rev St st throughout.

Eyelet pat: Multiple of 4 + 2 selv sts. Work acc to chart. RS and WS rows are shown. Beg with 1 selv st and sts before pat rep. rep pat throughout, end with sts after pat rep and 1 selv st. Rep rows 1 – 4 throughout.

Gauge over vertical rib pat:

13 sts and 24.5 rows = 10 x 10 cm; **over eyelet pat:** 13 sts and 18 rows = 10 x

10 cm.

Back: CO 62 (66) 70 sts and work 1 WS row kwise. This will not be observed in foll calculations. Then work 10.5 cm = 26 rows in vertical rib for border, thereby evenly inc 4 sts across last WS row = 66 (70) 74 sts. Then cont in eyelet pat. **AT THE SAME TIME**, for side slants from border, on every 10th row inc 1 stitch each side twice, keeping to pat = 70 (74) 78 sts. When work meas 31 cm = 56 rows (33 cm = 60 rows) 35 cm = 64 rows from border, cont in rib pat for upper ribbed border, thereby inc 1 stitch on 1st row =

71 (75) 79 sts and end rib pat before selv st with k1. When border meas 3 cm, BO all sts as they appear.

Front: Same as back.

Sleeves: CO 42 (46) 50 sts and work 5 cm in rib for cuff. First work 1 cm = 2 rows St st and then cont in eyelet pat. **AT THE SAME TIME**, for sleeve slants from cuff, on every 6th row inc 1 stitch each side 8 times = 58 (62) 66 sts. When work meas 31 cm = 56 rows from cuff, cont in vertical rib pat, then dec 1 stitch on 1st row = 57 (61) 65 sts. When work meas 6 cm = 14 rows from pat change, BO all sts.
