Sewing the parts

Personally, I find this sequence easier:

1. Join 2 parts of face patches to form heart shape
2. Insert safety eyes to face patch (DO NOT use the safety backs yet)
3. Embroider nose onto face patch
4. Position face patch to partially completed head/body
5. Secure safety backs to craft eye shanks
6. Sew face patch around onto head/body
7. Sew wings onto body
8. Sew legs onto body bottom

Coil yarn around finger (2 rounds)

Pull out coiled yarn and hold

Insert hook into loop and pull yarn

Sc as per pattern instruction

Tighten the loops by adjusting both coiled yarn, till tight
