Dotty is a cute and harmless little devil, standing at 6cm (2.4") including his devil horns. To celebrate Halloween, he brought along his pumpkin chamber at 7cm (2.75") by 9cm (3.5") , just enough for him to sleep in. The finished doll size varies with yarn size and tension.

This pattern is to be worked in rounds, mark the last stitch of each row with a stitch marker or small safety pin. To avoid confusion, abbreviation is provided here.

To measure the WPI of the yarn, wrap the yarn over a ruler, till it reaches 1 inch, count the number of wraps, and you will obtain the WPI.

The 4 ply yarn I am using in this pattern measures 18 WPI; while the 8 ply yarn I have measures 15 WPI.
