Notes and Tips:

Helpful to read these before starting and maybe even again when it's time to put your softie together

~Do not join pieces that are crocheted in the round unless otherwise indicated in each individual pattern piece

~A stitch marker will come in handy when repeating rounds or another helpful way to keep track of your rounds is to, start all pieces with a long tail, pull the tail through the beginning stitch of each round.

~carry yarn as you work, do not cut and rejoin unless stated

~**Important, because your cute baby is small and has lots of little pieces, please never give him or her to a small child or baby.**
