

RETRO INFINITY SCARF

This pattern will produce a soft textured 2m long infinity scarf with interesting colour detail.

You will need up to 600m of your chosen yarn (200m of each of the three colours), an appropriately sized hook and a needle for neatening ends. It is recommended you select a hook a little larger than you would normally use to produce a soft drape to the fabric.

The scarf in the example was worked in 4ply (fingering weight) yarn with 4.00mm hook and a gauge of 17sts and 18 rows over 10cm (4") in htr and dc pattern.

This pattern is written in UK terms. Below are the US equivalents as applicable.

UK Abbreviation	UK Term	US Abbreviation	US Term
ch	chain		
dc	double crochet	sc	single crochet
rnd(s)	round(s)		
htr	half treble	hdc	half double crochet
ss	slip stitch	sl st	slip stitch
dc2tog	double crochet 2 together	sc2tog	single crochet 2 together
yrh	yarn round hook	yo	yarn over

UK dc2tog (US sc2tog)

Insert hook into first st and pull up a loop, insert hook into next st and pull up a loop, yrh and pull through 3 loops on hook.

RETRO INFINITY SCARF

In A, leaving a 20cm (8") length of yarn for joining seam later, commence with a multiple of 14 + 1ch to a length of approximately 200cm (79") or desired length.

- Rnd 1: Starting in 2nd ch from hook, *1dc into each of next 7ch, 1htr into each of next 7 ch, rep from * to end ss to first dc to join.
- Rnd 2: 1ch, starting in same place as ss, *1dc into each of next 7sts, 1htr into each of next 7sts, rep from * end, ss to first dc to join.
- Rnd 3: As Rnd 2 picking up B with final ss.
- Rnd 4: In B, 1ch, starting in same place as ss, 1htr in each of next 7sts, 1dc in each of next 7 sts, rep from * to end, ss to first htr to join.
- Rnd 5: As Rnd 4.
- Rnd 6: As Rnd 4 picking up C with final ss.
- Rnd 7: In C, as Rnd 2
- Rnd 8: As Rnd 2.
- Rnd 9: As Rnd 2 picking up A with final ss.

Continue alternating between three rnds of Rnd 2 and three rnds of Rnd 4, changing colours as required, achieving a final layout of **A - B - C - A - C - B - A**.

You will have 21 rnds in total.

If you are using a very thick yarn, you may wish to work 15 rows for a final layout of **A - B - C - B - A**.

Fasten off. Using initial tail, close the gap in Rnd 1. Neaten ends. Proceed to edging, if desired.

Edging (optional)

- Rnd 1: In C re-join at seam with 1ch, dc2tog using first 2sts, *dc2tog using the same st as previously used and the next st, rep from * around, ss to first dc to join.

Note: By working the dc2tog into the previous st as well as the next st, you will prevent any decrease taking place and ensure the border stays the same size as the scarf.

Fasten off and neaten ends. Repeat for the second edge.
