Large-finished length of sole is 10" (approximately a size 9/10 in ladies)

Remember crocheted items do stretch, so there will be a little "give" in your finished item. You want them to fit a bit snug (not TIGHT), as they will stretch with wear. Also, you can add a wider range of sizes by using different sized hooks, and different weights of yarn.

Stitches Used/Abbreviations:

Ch-chain

Rnd-round

Sc-single crochet

Hdc-half double crochet

Hdc2tog-half double crochet two stitches together

Blo-back loops only

Pattern is written for smallest size, with changes for larger sizes in (parenthesis).

Turning ch does NOT count as a stitch! All joins should be made in the first st of each rnd, not in the turning ch.

At end of rnd 22, fasten off fun fur, continue with just 1 strand of worsted weight. Ch 1, TURN. Sc in each st around. Fasten off. Weave in ends.

Finishing:

Get a soft bristle brush, and start brushing as many fibers to the out side of the boot as you can. The more you brush, the fuller and softer your boot will look.
