Magic Circle-Make a large loop by putting the yarn tail behind the working yarn (the yarn coming from the skein), leaving at least a six-inch tail until you become familiar with this method. With your hook, draw the working yarn through the loop, so you have one loop on the hook. Now, you can start working your stitches in the ring, just as you would with the chain method. You will pull the tail tight, once all stitches are worked in the ring, leaving a nice, tight closure.
