To Make a Bunting/Banner:

Make a chain, as long as you'd like your bunting to be. (For my model, I chained 80) Sl st in the 6th ch from hook (creating a loop to hang from), and each of the next 5 or so chs. Join a leaf, by slip stitching through the last st of the stem, and the next ch on your "base". *Sl st in each of the next 10 or so chs. Join another leaf*. Repeat (*) to the end. Place your leaves as close together or as far apart as you like! Once you've reach the end of your ch, ch 5. Sl st in the last ch of your base (creating the other loop to hang from), and fasten off.
