Hdc-half double crochet

Dc-double crochet~Yarn over, insert hook in stitch, pull up a loop. *Yarn over, pull through 2 loops*, 2 times to complete the stitch.

Trc-triple (or treble) crochet~Yarn over 2 times, insert hook in stitch, pull up a loop. *Yarn over, pull through 2 loops*, 3 times to complete the stitch.

Dtrc-double triple crochet~Yarn over 3 times, insert hook in stitch, pull up a loop. *Yarn over, pull through 2 loops*, 4 times to complete the stitch.

FLO-work in front loops only of indicated stitch(es)

BLO-work in back loops only of indicated stitch(es)

Sl st-slip stitch

Magic Circle-Make a large loop by putting the yarn tail behind the working yarn (the yarn coming from the skein), leaving at least a six-inch tail until you become familiar with this method. With your hook, draw the working yarn through the loop, so you have one loop on the hook. Now, you can start working your stitches in the ring, just as you would with the chain method. You will pull the tail tight, once all stitches are worked in the ring, leaving a nice, tight closure.

Take one sole, and one top. With right sides facing you, position top, so that the longest "point" is at the center front of sole, 1 row in from edge. Stitch securely in place. Stitch each side tab to center side of sole, 1 row in from edge.

Take 2nd sole piece, and place under first. Placing wrong sides together, use a sl st in same color as tops to "sew" the 2 sole pieces together. Bring yarn up from bottom so that the "loops" of the sl st are on the top, and the straight stitching is on the bottom. If you prefer, you could use a yarn needle, and stitch pieces together. Tuck all ends in between sole pieces.

Ankle Strap: Join yarn in st just above side tab. Ch 12. Sl st in st just above side tab on opposite side. Ch 1. Sl st in each ch back to beginning. Fasten off. Weave in ends.

*Optional~Create one (or more) posies to stitch to the tops of the sandals. Repeat for other sandal.
