Building Scrub Surface:

This is where it gets fun~you can do this in any order, or pattern you like. See Fig. 1 below(NOT my photo). I started on the short rows, by (A) ch 1, TURN. (B) Work 3 hdc down the post of the next hdc (NOT The turning ch) from the previous row. (C) Work 3 hdc in the very next ch 1 space. (D) Work 3 hdc up the post of the next hdc from the previous row. (E) Work 3 hdc in the next ch 1 space. (We are working in an "S" fashion~down, across, up, across, etc) When you reach the end of the row, work 3 hdc around the post of the last hdc from the row BEFORE the

one you just worked, and continue across that row, as before. (G) Shows a good example of one row.

Continue with each row, until you reach the opposite end. DO NOT FASTEN OFF.

Weave in ends.
