For Semi, the open end of both cab and trailer should be facing down. Make 6 tires. Sew 1 tire to each side of the cab, and 2 tires to each side of the trailer, 1 near the front end, and one near the back end. If desired, make 1 or 2 stacks, and tie on either side, between cab and trailer. Stitch on any desired logos, headlights, doors, etc.

For Tractor, the open end of both cab and bed should be facing down. Make 2 large, and 2 small tires. Sew large tires to each side of cab. Sew small tires to each side of bed, near front end. Tie stack on top of bed, near center of front end.

For Car/Taxi, make 4 tires. Sew 2 to each side of car. Stitch on checkered lines, headlights, doors, as desired.

Once all pieces are complete, and sewn in position, simply toss your vehicles in the bag, pull the drawstring tight, and you're ready to roll! When it's time for play, just loosen drawstring, and flatten the bag out, to become a playmat 😊
