Assembly:

It is much easier to assemble before stuffing pieces. Just stuff as you go.

First, sew one front wheel to either side at bottom of grill, adding stuffing, if you wish.

Next, add stuffing inside of grill, and center it as straight as you can on front of hat, lining up the bottom rows. Stitch in place.

Fold hat in half, and stitch each rear tire in desired position to either side of hat, lining up bottom rows. Stuff them, if desired.

Place seat on top center of hat, and stitch around the outer edge, adding stuffing, if you wish.

Lastly, attach your steering wheel, by centering the chain on top of the grill, where it meets the hat. Bring the wheel end up to approximately 1 row before seat edge, and tack one edge down.

If you are making a stuffie~Assemble all parts, as for hat. Stuff the "hat section" and sew the bottom piece securely to the bottom row of hat. Fasten off. Weave in all ends.
