Assembly:

If using safety eyes, be sure to place them before stuffing, and closing head. Otherwise, just stitch your features on either before or after stuffing, as you desire, or leave plain.

Place one wing on either side of back of head, in desired position, and stitch firmly in place.

For Angel, place halo on top of head in desired position, and stitch firmly in place.

Add a hanging loop, if desired at center top of head, to make a cute ornament. Add several to a long string or chain, for a darling garland. Use smaller hooks and yarn, and attach a keyring or clip to the top of the head for super cute key chains or zipper pulls! Add a little catnip during stuffing, for a fun cat toy, or some essential oils or potpourri for sachets...The possibilities are endless! ☺
