Rnd 2: Crocodile stitch: working in the base row you just made: ch 1. sl st around post of ch 3, *Work 5 dc down (around) post of 1st dc in 2dc set. Ch 1. Work 5 dc up (around) post of 2nd dc in 2dc set. Sl st around post of next (single) dc.* Repeat (*) around remainder of row. Sl st around post of beginning ch 3 once more to join.

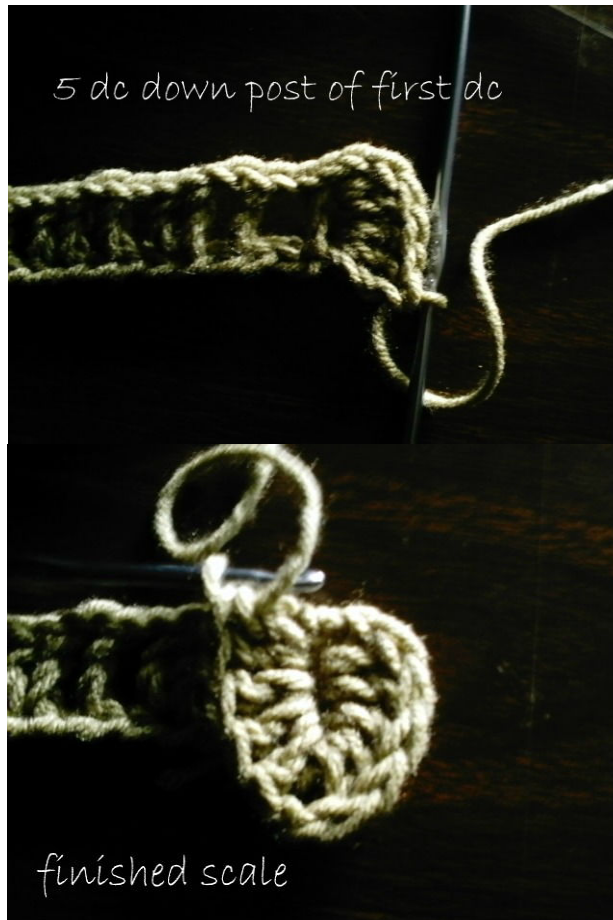

***Note*-** On some sizes, I ended up with 2 single dc together at the end of the 1st base row. To fix this issue, I simply sl st around the last one, and then did my ch 3 for the next rnd, without joining. Work 1 dc in the next, and continued around the row normally. When I did the crocodile stitch for that section, I treated the ch 3 a 1 dc as as a 2dc, and crocodile stitched them. It fixed the small gap.
