Sew the wing onto a birdie, embroider it with a different color yarn and beads. Sew on a birdie the black sequin as an eye. Under a sequin I sew small circle of white felt. Embroider the birdie with beads as a bill, legs and tail.

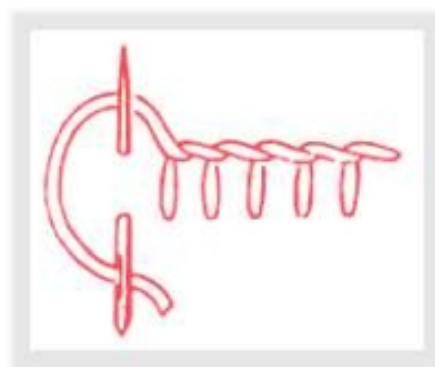

Cut the felt according to the shape of birdie. Make a CH ribbon about 12 cm long. Sew it on the back side of birdie. I added dot button:-)

Sew the felt and crocheted parts together. Use the ringing stitch, see picture below, please.
First picture from www.rucniprace.cz

Sew with ringing stitch around all body of birdie. About 2 cm before ending, let the free space, fill this space with very small amount of fiber-fill and than sew on the free space.

Now make the **strap**:

Take four threads of yarn and make CH. I made a 25 cm long strap with 3,5 mm hook. Sew the strap inside a purse.

And you have finished it:-)

♥ I wish you spent a nice crochet time with this pattern ♥
