Place the crochet wheel on some thin pad, strong enough to provide the elf stability. I used a common write-on school pad made from PVC. Copy the shape of the wheel on the pad and cut it out by scissors. Place it into the elf body. This makes strong base for the elf to help him standing without support.

You will prepare the threads of the fancy yarn and begin with sewing the hair. I cut 35 cm (about 13 inches) long threads, and sew these thread step by step in the middle with two blanket stitches. If you will use blanket stitches then the hair will be sewn very strong - enough to be ready with a playing of your girl :-)

Make a thread for making a funny hair
Use light pink color thread and make 90 chain stitches. Skip first 3 stitches (as a 1st DC) and now make row of DC to the end of the row, end the work.
