

Mr. Graham Bell

Design by Vendula Maderska
February 2012

He sit into his most favourite large armchair, covered with green velvet. Watching the birds outside the window, as among themselves live "argueing". Puffed his pipe, tobacco smoke floated lazily through the air around him and he remembered the day he first managed to transmit a human voice. It was so long ago, but he remembered every tiny detail of that day ...

He closed his eyes and tried to imagine what will probably the world looks like in 100 years? And even his mighty beard incapable of it, as he smiled shyly Thank you, Mr. Graham Bell.

Hot pink part

Beginning: work with hot pink color – make 5 Chain stitches and join it with slip stitch to form a ring.

1st Round: 3 CH (count as first DC), 10 DC, join with slip stitch with first DC (11 DC)

2nd Round: 3 CH (count as first DC) 1 DC in very first stitch, 9 times 2 DC in one stitch, join with 1 SlSt end the work.

Small pompoms:

Crochet with the **red** color – 4 CH, 5 DC, which we don't finished (see the pictures below, please) then pull the loop through all stitches on the hook, make 1 CH and end the work. Put it around the turquoise part of the handle and sew the edges together.

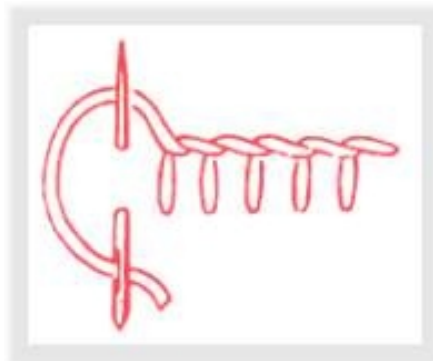

Step by step sew all parts together. Embroider the brooch with buttons and beads. Neaten free threads.

Place the crochet part of brooch on the felt. Use the pins to fix it and fluently cut the felt according to the shape of telephone. Now you should use a little bit more patience and cut precisely.

Sew the crochet and felt part with using a blanket stitch. See the pictures below or you could also see the scheme of blanket stitch here (the picture from www.rucnipace.cz).

Now you have to sew one or two brooch pins (on the backside). I sew two brooch pins usually. One below the light green part on a handle and the other one in the upper part of middle of the brooch. Add some colorful wooden beads as a cord. And you have finished it:-)

♥ Enjoy this pattern ♥
