Welcome to Knitting & Crochet...

...And suddenly it's summer, bringing warmth, sunshine and seasonal colour. We embrace all things bright and beautiful in our opening feature (p6) with a collection of knitted and crocheted 'must-haves' in vibrant shades and great new yarns.

Next up is this issue's Designer of the Month – Tina Egleton, *Woman's Weekly's* very own Technical Knitting Editor (p20). You'll love her gorgeous girls' knitted jacket, dress and shoes. Plus, there's an opportunity to find out how Tina became such a talented designer in both knitting and crochet.

Now's the perfect time of year for tea parties, whether it's for charity or just for fun. We've all you need to make your entertaining beautiful with the prettiest of quirky makes for your tea-time table (p31).

Crochet our tawny owl (p50) and help us create a Woodland Glen to support the Woodland Trust – it's this year's *Woman's Weekly* charity campaign and a very worthwhile cause.

Do get in touch (using any of the ways listed below) and let us know what you like most about *Knitting & Crochet*, or send us photos of anything you've made.

See you next issue!

Whether you're a seasoned *Woman's Weekly* reader or picking up our fabulous *Knitting & Crochet* magazine for the first time, we're aware that, while of course you'll love to knit and/or crochet, you'll also have different skills at different levels. So we've signposted each project in the magazine with a new rating, from Easy Peasy to Quite A Challenge, as a guide to help you decide if the pattern suits your ability. However, we pride ourselves on our clear instructions, so you can try something that's more challenging or simply enjoy your skill.

Crochet Necklace

Materials

1 x 100g (280m) ball of DMC Petra 3 (100% cotton) in each of Green (5907), Pink (53805) and Orange (5608)*. Size 2.50 crochet hook.

Tension

One complete flower measures 7cm diameter, using 2.50 crochet hook.

Abbreviations

Ch, chain; **st**, stitch; **dc**, double crochet; **tr**, treble; **htr**, half treble; **ttr**, triple treble; **chsp**, chain space; **slst**, slip st.

Note

Yarn amounts are based on average requirements and are therefore approximate. Instructions in square brackets are worked as stated after 2nd bracket.

Flower

(make 3)

Using 2.50 hook and Orange, make 7ch and join with a slst to form a ring.

1st round: 3ch (counts as 1tr), work 23tr in ring, slst in 3rd of 3ch – 24 sts.

Fasten off. Join in Pink.

2nd round: 4ch (counts as 1dc and 3ch), [miss next tr, 1dc in next tr, 3ch] 11 times, miss last tr, slst in first of 4ch – 12chsp

3rd round: 5ch (counts as 1dc and 4ch), [3ttr in next chsp, 4ch, 1dc in next dc, 4ch] 11 times, 3ttr in last chsp, 4ch, slst in first of 5ch – 12 petals.

Fasten off and neaten ends.

Leaf

(make 19)

Using 2.50 hook and Green, make 9ch.

1st round: 1dc in 3rd ch from hook, 1dc in next ch, 1htr in each of next 2ch, 1tr in each of next 2ch, 9tr in next ch, working along base edge of sts, omitting last ch worked, 1tr in base of each of next 2tr, 1htr in base of each of next 2htr, 1dc in base of each of next 2dc, slst in 2nd of 2ch at beginning.

Fasten off and neaten ends.

Cord

Using 2.50 hook and Green, make 4ch.

Work cord thus: 1tr in 4th ch from hook, 1ch, 1tr in space between 3ch and 1tr, * 1ch, 1tr in space before last tr, repeat from * until cord measures 66cm from beginning.

Fasten off and neaten ends.

To make up

Without twisting cord, join ends together. For centre flower and leaves, sew 9 leaves evenly spaced to underside of one flower, clustering them around 10 of the 12 petals, leaving 2 petals free as shown in photograph. With centre of flower at join in cord and keeping the 2 free petals on the inside, sew flower and leaves to cord. On remaining 2 flowers, sew 3 leaves to the underside of flower and 2 leaves on opposite side. Sew a flower at either side of centre flower as in photograph, sewing centre of the 3 leaves to cord at outer edge and of the 2 leaves, sewing the leaf at inner edge to cord. Catch down free tips of leaves where they meet.

Blue Is The Colour

A lovely faded-denim blue, to be precise. Baby will look a picture in Tina Egleton's delightful matching set

Knitted history

I was born and brought up in Poland. My parents were small farmholders who subsidised their income by other means: my father did carpentry and my mother did dressmaking. I often saw my mother pondering over a piece of fabric before cutting it. She didn't have paper patterns!

At an early age, I saw how things could be made with few resources but lots of ingenuity. For me, wool began with seeing lambs being born, then shearing their

fleece when they grew, spinning the wool and dyeing it.

Making dolls' clothes was my first attempt at designing, followed by making clothes for myself. When I was at school, I did crafts (sewing, knitting, crochet) but it was maths that I excelled in.

My knitting career started in earnest when I joined Emu Wools in the mid-1970s. There I learnt a lot about pattern writing and how to prepare copies for publication, and I even managed to do some of my own patterns. In the late '70s, I joined *Woman's Own* magazine where I worked on patterns submitted by various designers, but still continued doing my own.

After two years, when my first baby was born, I began working from home, on patterns for numerous books and magazines. I did freelance designing, too, and began to work for Debbie Bliss. In the late 90s I joined *Woman's Weekly*, and I'm still here!

Designing is my biggest love. My mathematical ability, with an intuitive understanding of the structuring of garments, allows me to translate ideas I have into designs that work. Like my mother, I find myself pondering over the design before I start, working out each move in relation to what comes next, just like you would do with a piece you want to move on a chess board.

I love to be inventive and to challenge myself. Over the years I've designed clothes for babies, children and adults, as well as toys and home items. Nowadays, I work mostly on babies' outfits and toys. Do I have a favourite? They are all special when I'm creating them, and it's especially satisfying at the end when the plan comes together and the item turns out just as I intended.

One of Tina's toy designs...

...and another of her stunning baby outfits

Woman's Weekly Events

Join In Our
Make & Take
Crochet and
Needle-Felting
Workshops

We've added more dates for our crochet and needle-felting one-day workshops. They'll be held in October and November at our HQ in London and tickets cost £69 per person, per workshop.

The crochet workshops will be led by our knitting and crochet assistant, Freddie, along with her chosen experts, and are suitable for beginners and intermediate crocheters.

The needle-felting days will be run by experts Judy Balchin and Roz Dace. These days are perfect for beginners or for anyone interested in needle-felting. It's an easy technique to pick up.

Learn To Crochet with Freddie on 25 August and 7 October

Whether you've never held a crochet hook or want to improve, with our experts' help you'll soon be able to follow the patterns in *Woman's Weekly* and *Knitting & Crochet Specials*.

Help Us Make A

To be displayed at our Live! event and all in aid of the Woodland Trust

For more information on our campaign, see our video at womansweekly.com/woodland

We've been overwhelmed by the time you give to the *Woman's Weekly* campaigns. We've asked you to make hats for the homeless, blankets for cats, bunting for a World Record, poppies to commemorate WW1 and, of course, our latest World Record: knitted and crocheted Christmas decorations.

This year we are delighted to be working with the Woodland Trust and we are asking **YOU** to get involved by knitting, sewing or crocheting flowers, animals, birds and leaves that we can put in our Woodland Glen.

There will be regular patterns for you in *Knitting & Crochet from Woman's Weekly* (see far right), *Love to Make with Woman's Weekly* and of course *Woman's Weekly*, but please feel free to use your own patterns. We would love to receive as many different makes as we can.

Please send your finished makes, by 28 August 2015, to Mary Bird, Head of Marketing, *Woman's Weekly*, Time Inc, 110 Southwark Street, London SE1 0SU – and if you would like to include a donation, we will forward it to the Woodland Trust at the close of the campaign.

You can also bring your woodland makes with you to our three-day event, *Woman's Weekly Live!*, in Manchester in September – details to follow later.

Woodland Trust

The Woodland Trust aims to create new native woodland with the help of communities, schools, organisations and individuals. It tries to protect our precious ancient woods, restore the ones that are damaged and fight for those under threat. This is done by inspiring people up and down the country to visit woods, plant trees and enjoy the many benefits that woodland has to offer. For more information, visit www.woodlandtrust.org.uk

Please send to Mary Bird, Head of Marketing, *Woman's Weekly*, Blue Fin Building, 110 Southwark Street, London SE1 0SU

Please find enclosed my make for the Woodland Glen

(please include your details, so we can send you a thank-you note and add your name to a poster at *Woman's Weekly Live!*)

This month, it's all about the garden... knit or crochet yourself a floral accessory, learn an exciting new skill, and welcome some Scandinavian sunshine into your life

100 Flowers to Knit & Crochet

by Lesley Stanfield
(Search Press, £10.99)

Some flowers are bold and colourful, like the red poppy. Some are poetic and romantic, like the wild rose.

And others are delicate, like the soft and fragrant lilac. In Lesley Stanfield's book, there's room for them all. Each pattern is meant as an embellishment for a hat, belt, blouse or coat, to be used to make a feminine piece of jewellery or decorate a gift-wrapped package, to add a finishing touch to a knitting or crochet project, or to freshen up a vintage item. Lesley also shows how to decorate your flower with beads, sequins or buttons, to make it your own. Her instructions are easy to follow, and come with yarn requirements and a suggested skill level. But the real magic of this book is in the beauty of the accurately recreated flowers themselves.

Knit-and-Crochet Garden

by Arne & Carlos
(Search Press, £12.99)

Arne and Carlos's garden is a place that celebrates the rich crafting heritage of their native Scandinavia. It's a garden full of knitted and crocheted flowers, of picnics and baskets, of butterflies and of tiny, knitted fairies. Here, the traditions of Scandinavian crafting come alive with a mirth and joy that is both modern and timeless. There are smaller, accessible projects for beginners or for those short on time, as well as larger projects to get your teeth into, like chunky afghans and throws, all inspired by the sights, sounds and scents of their farm in rural Norway. The vivid colours of the garden and of summer that burst off each page and each pattern are for the whole year round. For Arne and Carlos, a garden isn't a place. It's a state of mind. A blissful, playful and happy state of mind.

Flowers to Knit and Crochet

by Susie Johns & Jan Ollis
(Search Press, £9.99)

Jan Ollis learned to crochet when she was a little girl. Years later, she set up her own business crocheting and knitting accessories. Susie Johns has been crafting all her life, too. She's written dozens of books and created

countless patterns. Now, the two have joined forces, contributing previously published designs and patterns in one book which also includes eight brand-new crochet designs, plus eight new knitting designs. Of the 28 knitted flowers there are cherry blossoms, hibiscuses and anemones, and of the 28 crocheted flowers there are Tudor roses, foxgloves and African violets. These simple projects make gorgeous accessories or quirky gifts. Each pattern has a list of materials and tools required, and comprehensive advice on how to assemble the project.

Quick-Knit Flower Frenzy: 17 Mix & Match Knitted Flowers

(Annie's, £7.48)

You could wear these knitted flowers in your hair, turn them into a brooch, or add them to a buckle on a pair of shoes or a favourite bag. This book is about more than flower accessories, though. It's about opening up the world of knitting to those who've never picked up a pair of needles, or to those in need of a refresher course. The flower patterns in this book are presented as step-by-step photographic tutorials, taking you through each stage of knitting, embellishing and finishing off your floral project. Some of the projects are realistic, others more stylised. All of them allow new knitters to practise their skill. The best way to learn is to do, and these manageable projects will help build confidence and give you the know-how to experiment and create things for yourself.

Tina's Tips & Tricks

Get the little things right and your knitting will be beautiful

We want your knitting to be the best it can possibly be. So it's a good job we have Tina. A true knitting professional, Tina's been Technical Knitting Editor at *Woman's Weekly* for 15 years. And now she's here to help you! Every month, Tina answers the most common questions you've sent in and resolves some of the issues we face as knitters. Together, we'll make your knitting beautiful!

Recycling yarn

Q A baggy sweater I knitted back in the 1980s is no use to me any more. Is it possible to reuse the old yarn?

A The first thing to do is unravel the yarn. Providing the yarn is smooth, unravelling it shouldn't be too difficult. So, remove all the fastenings, then undo all the seams. Unravel each piece carefully, winding the yarn into balls. The unravelled yarn will be crinkly, so not suitable to work with. The best way to straighten the yarn is to wash it. As this can't be done with balled yarn, you need to create skeins by winding the yarn around the back of a chair, then tie the ends together. To stop strands getting tangled up, place short lengths of the same yarn in a few places around them and tie. If the tied bundle of strands feels thick, divide in two and wind the short lengths in a figure eight around the strands. Hand-wash the skeins using wool washing liquid. Hang them up by the ties to dry away from direct sunlight and heat. When dry, place each skein over the back of the chair again and wind into a ball. When winding the yarn, take it around the ball plus a couple of fingers to stop it being wound up too tightly.

Herringbone help

Q I've nearly finished the baby outfit in your December issue. How do I work herringbone casing over the pants' elastic at the waist?

A Herringbone casing is worked over the elastic to keep it in place, and it also offers the elasticity needed in this knit. Once the elastic is joined into a ring, place it along the wrong side of the waistband. Secure with pins, easing the knitting evenly between pins. Thread a length of yarn through a knitter's sewing needle and attach yarn at the side seam below elastic.

Working from left to right, take the yarn up over the elastic and 2 stitches to the right from the previous attachment point, and work a stitch from right to left through the knitted fabric and stretched elastic. Take the yarn down over the elastic and 2 stitches to the right and work a stitch as before. Continue in this way until you reach the original position. Fasten off securely.

Cast-on choices

Q I've been knitting for years, always casting on using the thumb method. It had never occurred to me there might be any other way of casting on. What are the other methods?

A There are lots of methods of casting on. The following are used most frequently:

Thumb method: This method (see page 70) is worked with one needle using a double length of yarn and produces a firm but elastic edge.

Two-needle method: This is worked with two needles using one length of yarn. The new stitches are formed by knitting into the previous stitch and placing it on the left-hand needle. It produces a soft loose edge suitable for loose patterns.

Cable cast-on method: Worked in same way as the two-needle cast on, but instead of inserting the needle in the previous stitch to make a new stitch, the needle is inserted between the previous 2 stitches (see page 70). It forms a strong decorative edge that's very elastic.

Single cast-on method: This is worked with one needle using one length of yarn. The new stitches are formed by looping the yarn clockwise around the thumb and then lifting this loop with the point of the right-hand needle. The edge produced is very loose and soft.

There are other methods of casting on – some are variations of the above methods, and others are with a reinforced edge for extra strength. There is picot cast on, frilled cast on or even cast on using crochet hook or crochet chain. Which one to choose? The only way to find out which method is the best for your specific design is to knit the swatches followed by a few rows of pattern.

We Made These!

The best part about finishing a project is getting to show it off. So why not share yours with us?

Practical and pretty

She's 90 years old and she's been knitting WW patterns for years. So you would have thought my mum had seen it all. But you'd be wrong. There's something new, interesting and challenging in each issue she buys. Like this lovely blue cable-knit bag you featured recently. Not only is it pretty, it's practical, too. As you can see, it comes in very handy should you need somewhere to store a friendly meerkat.

A cardi for Calum

This is Calum, my friend Laura's little boy. He might be only eight months old, but he already knows just how to work the camera and how to melt hearts with his wistful stare. He's a bundle of gorgeousness and I love spending time with him. So when I saw the pattern for this little boy's cardigan, I just had to knit it for him. And I must say, I think he looks adorable in it. He's my very own, my one and only Cal-lamb.

Knitting works-hop!

I was lucky enough to attend the *Woman's Weekly* knitting workshop back in March. Except, as we were knitting Easter bunnies, I think it was more of a works-hop, to be honest! Everyone there had such a lovely time, and I learned a lot. After the workshop, I went home and finished my bunny. Then I followed your pattern to knit him a friend – a cute Easter chick.

Heartfelt plea

My mother-in-law Maggie Goodman knows a thing or two about style. She understands how a splash of bold colour can really make a room and how nothing looks better on a bed than a liberal scattering of cuddly, textured cushions. These heart-shaped cushions tick all those boxes. They add colour, have a great chunky texture and they're fantastically scatterable. I'm hoping that very soon she might make some for me. Please, Maggie? Pretty please?

Knitting isn't always done in uniform rows, as interesting shaping can be done with turning rows

Sloping stripes

Circle

Welted ruffle

Fluted edging

Photos: Nicki Dowey

The method of turning the row can vary according to the stitch. In stocking stitch, simply turning mid-row will leave a hole, so a wrap is usually made around a stitch – although this makes a little blip on the right side. In garter stitch it's usually enough just to slip the first stitch of the return row and the hole will not be visible.

Yarn

Rowan Handknit Cotton. Pair of 4mm (No. 8) knitting needles.

Abbreviations

K, knit; **p**, purl; **st**, stitch.

Circle

A circle or a half circle can be made by working frequent turning rows to extend the outer edge. Stripes look very attractive and help you to count the rows by highlighting the two short rows between pairs of full-length rows.

Yarn: A and B.

Note: If the yarn not in use is carried up the side of the work in the same sequence each time it will not be too conspicuous.

With A, cast on 7 sts.

1st row (right side): With B, k6, turn, with yarn at back, slip 1 knitwise, k5.

2nd row: K5, turn, with

yarn at back, slip 1 knitwise, k4.

3rd row: With A, k7.

4th row: With yarn at back, slip 1 knitwise, k6.

Repeat 1st to 4th rows, 11 times more. Cast off with A.

Use the yarn ends to join the cast-on and cast-off edges, then tightly gather the centre row ends.

Sloping stripes

Showing this sloping edge with stripes indicates where rows are turned and also the blips where the yarn has been wrapped round a stitch to prevent a hole forming in the stocking stitch fabric. It could, of course, be worked in a single colour.

Yarn: A and B.

Cast on an even number of sts.

1st row (right side): With A, k.

2nd row: P.

3rd row: With B, k to last 2 sts, * bring yarn to the front, slip next st purlwise, take yarn to the back, place slipped st back on to the

left-hand needle, turn, p to end *.

4th row: With A, k to last 4 sts, then work as 3rd row from * to *.

5th row: With B, k to last 6 sts, then work as 3rd row from * to *.

6th row: With A, k to last 8 sts, then work as 3rd row from * to *.

Continue in this way until all sts have been turned.

With A, k1 row, then cast off.

Welted ruffle

Welting is a ridged effect that is created by alternating bands of stocking stitch and bands of reverse stocking stitch. Here turning rows gather the welts into ruffles. The garter stitch edge can be stretched to be straight.

Cast on 9 sts.

1st row (right side): K9.

2nd row: P6, turn, with yarn at back, slip 1 knitwise, k5.

3rd row: P6, k3.

4th row: K3, p6.

5th row: K6, turn, with yarn at front, slip 1 purlwise, p5.

6th row: K9.

Repeat 1st to 6th rows, ending with a 3rd row. Cast off in pattern.

Fluted edging

There are little flared triangles on the right side of this edging and the wrong side is also very attractive. It can be allowed to curve at the top, or it can be gently stretched widthways to lie straight.

Cast on 8 sts.

1st row (wrong side): K8.

2nd row: P8.

3rd row: P6, turn, with yarn at the back, slip 1 knitwise, k5.

4th row: P4, turn, with yarn at back, slip 1 knitwise, k3. Repeat 1st to 4th rows, ending with a 2nd row. Cast off.

Knitting Project

Pot A Colour

If you'd like to dress up a regular plastic plant pot, here's how

By shaping the cover with turning rows (sometimes called short rows), the cover can be made a close fit as it is worked around the pot and not upwards. The lacy trim is added afterwards

Measurements

To fit a pot 8cm deep and 28cm around the top.

Materials

1 x 50g (85m) Rowan Handknit Cotton (100% cotton) in Flamingo (368)*. Pair of 4½mm (No. 7) knitting needles.

Tension

19 stitches and 26 rows, to 10 x 10cm, over stocking stitch, using 4½mm needles.

Abbreviations

K, knit; **p**, purl; **st**, stitch; **ss**, stocking stitch (k on right side and p on wrong side); **skpo**, slip 1 knitwise, k1, pass slipped st over; **tog**, together; **yo**, yarn forward and over needle to make a stitch.

Note

Yarn amount are based on average requirements and are therefore approximate. Instructions in square brackets are worked as stated after 2nd bracket.

Cover

With 4½mm needles, cast on 16 sts.

Beginning with a k row, work 4 rows ss.

* **Next row:** K10, bring yarn to the front, then slip st from left-hand needle to right-hand needle, take yarn to the back, place slipped stitch back onto left-hand needle (this is referred to as wrap1), turn, p to end.**

Beginning with a k row, work 8 rows ss across all sts.

Next row: K5, wrap1, p to end.

Beginning with a k row, work 8 rows ss across all sts.

Repeat from * twice more, then work from * to ** again.

Beginning with a k row, work 4 rows across all sts. Cast off.

Top edging

Wrong side facing, using 4½mm needles, pick up and k52 sts from row-ends of

longer edge.

1st row: P.

2nd row: K.

3rd row: P.

4th row: [K2tog, yo twice, skpo] to end.

5th row: [P1, work k1, p1, k1, p1, k1 in double yo, p1] to end.

6th row: K.

Cast off loosely knitwise.

Lower edging

Right side facing, using 4½mm needles, pick up and k42 sts from row-ends of shorter edge.

Cast off knitwise.

To make up

Press lightly, tugging top edging to open up the eyelets and scallop the edge. Fold the edging to the right side and press lightly along the pick-up row. Join the seam, reversing it for the top edging.

Diamonds

Rings

Blocks

Daisies

Photos: Nicki Dowey

Creating your own haberdashery is very rewarding and it's not as difficult as it looks.

Yarn

DMC Natura Just Cotton.
Size 2.50 and 3.00 crochet hooks.

Abbreviations

Ch, chain; **st**, stitch; **chsp**, chain space; **dc**, double crochet; **htr**, half treble; **tr**, treble; **dtr**, double

treble; **trtr**, triple treble; **slst**, slip stitch.

Note

Instructions in square brackets are worked as stated after the 2nd bracket.

Diamonds

Each diamond is made up of two triangles which are joined up in the second row.

1st row: With 3.00 hook, * 6ch, 1dc in 2nd ch from hook (counts as 1dc), 1htr in 3rd ch, 1tr in 4th ch, 1dtr in 5th ch, 1trtr in 6th ch – triangle made; repeat from * for required length. Do not break the yarn.

2nd row: Make another triangle and rotate it so that its trtr is alongside the previous trtr, then

work 1dc between triangles of the 1st row. Continue to make triangles and connect them in this way until all triangles are paired. Slst in the ch at base of first trtr. Do not fasten off.

Edging round: With 2.50 hook, 1ch, slst in each ch of first triangle of 1st row, 1dc in top of triangle, [6ch, 1dc in top of next triangle] to end, slst in each ch of last triangle, slst in each ch of first triangle of 2nd row; complete to match first side, ending slst in slst.

Rings

These firm little rings can be joined either with crochet or by sewing.

First ring: * With 3.00 hook, make 5ch, join with a slst into a ring.

1st round: 1ch, enclosing the yarn end, 10dc in ring, slst in 1ch.

2nd round: 2ch, 2tr in each dc, slst in 2nd of 2ch. Fasten off, leaving an end of yarn to attach this ring

to the next. *

Second ring: Work as first ring from * to *.

Joining: With right sides together, using yarn end and working under outside strand of each st, slst together in 3 pairs of sts. Fasten off.

Continue to make and join rings in this way.

Blocks

A string of tilted squares can be made with or without the edging.

With 3.00 hook, make 7ch.
* **1st row:** 1dc in 2nd ch from hook (counts as 2dc), 1dc in each of next 5ch – 7 sts.

2nd row: 1ch (counts as 1dc), 1dc in each of next 5dc, 1dc in 1ch. Repeat 2nd row, 4 times more to complete 6 rows. Do not turn, then make 7ch. * Repeat from * to * for the

length required, omitting the last 7ch. Do not fasten off or turn.

Edging round: With 2.50 hook, slst along left side of last block, 1dc in corner, [9ch, 1dc in corner of next block] to first block, slst in each st along both sides of first block, 1dc in corner, [9ch, 1dc in corner of next block] to last block, slst along side of last block, slst in first slst. Fasten off.

Daisies

These flowers could be used singly or strung together as here.

With 3.00 hook, make 8ch, join with a slst into a ring.

1st round: 1ch (counts as 1dc), 17dc in ring, slst in 1ch – 18 sts.

2nd round: 5ch, [miss 1dc, 1dc in each of next 2dc, 4ch] 5 times, miss 1dc, 1dc in next dc, slst in first of 5ch.

3rd round: 1ch, [5dc in next chsp, slst in each of next 2dc] 5 times, 5dc in

next chsp, slst in next dc, slst in 1ch. Fasten off.

Join the daisies by sewing together a few stitches of opposite petals on the wrong side.

Crochet Project

Bright On

Our easy-make bracelets in singing colours make even a pale wrist look tanned

It may be a challenge to use fine yarn and a small-sized crochet hook, but once you're familiar with the scale you could make one of these bracelets in an evening

Measurements

Approximately 15cm/6in long, without button loop.

Materials

1 x 100g (400m) ball of DMC Petra 5 (100% cotton) in each of Turquoise 53845 (A) and Orange 5922 (B) for Zigzag Braid, Lilac 5211 (A), Purple 53837 (B) and Bright Pink 53805 (C) for Woven Braid*. Size 2.00 crochet hook. One button and short length of ribbon for each.

Abbreviations

Ch, chain; **chsp**, chain space; **dc**, double crochet; **htr**, half treble; **tr**, treble; **slst**, slip stitch.

Note

Instructions in square brackets are worked as stated after 2nd bracket.

Zigzag braid

This is the simpler of the two designs. Treble groups are pulled in by the edging so that they appear to zigzag.

With 2.00 hook and A, make 5ch.

1st row: 3tr in 3rd ch from hook, 1ch, miss 1ch, 1tr in last ch.

2nd row: 2ch, 3tr in chsp, 1ch, 1tr in 2nd of 2ch.

Repeat 2nd row, 16 times more. Fasten off.

Edging

Right side facing and using 2.00 hook, join B in centre of last row. Make 8ch for loop, then 6dc in chsp, [5dc in next chsp along side] 8 times, 6dc around tr group at end, 6dc in next chsp, [5dc in next chsp along side] 8 times, 6dc around tr group, 10dc in ch loop. Fasten off.

To make up

Pin out and press. Attach a small button at the opposite end to the loop and tie ribbon around it.

Woven braid

Two lengths of chevrons are crossed and then held in place with an edging.

First chevron band

With 2.00 hook and A, make 52ch (if counting these is difficult make a few extra and undo these afterwards), 1htr in 3rd ch from hook (counts as 2htr), 1htr in each of next 4ch, * 1ch, 1htr in each of next 6ch, miss 1ch, 1htr in each of next

6ch; repeat from * twice more, 1ch, 1htr in each of last 6ch. Fasten off.

Second chevron band

With 2.00 hook and B, make 52ch.

1htr in 3rd ch from hook (counts as 2htr), 1htr in each of next 5ch, * miss 1ch, 1htr in each of next 6ch, 1ch, 1htr in each of next 6ch; repeat from * twice more, miss 1ch, 1htr in each of last 5ch. Fasten off.

Edging

Pinning out the points of each chevron (a point is the 1-chsp or 1 missed ch at 6-dc intervals), press both chevron bands. Cross the bands by taking first band over and under second band along their length, tacking them together, if necessary.

1st round: Right side facing and using 2.00 hook, join C yarn with a slst in centre of end of 2nd band at back, [4ch, slst in 1-ch point of 1st band, 4ch, slst in 1-ch point of 2nd band] 3 times, 4ch, slst in 1-ch point of 1st band, 4ch, slst in centre of end of 2nd band, 4ch, along 2nd side slst in centre of end of 1st band, [4ch, slst in 1-ch point of 2nd band, 4ch, slst in 1-ch point of 1st band] 3 times, 4ch, slst in 1-ch point of 2nd band, 4ch, slst in end of 1st band, 4ch, slst in first slst.

2nd round: 6dc in each chsp, slst in first dc, turn, slst in first 3dc, make 8ch for loop (this loop can be covered with dc if required). Fasten off.

To make up

Press, then attach button at opposite end to the loop and tie ribbon around it.

Glossary

Tension

Practically every knitting instruction will state a tension, with a few exceptions, like toys or small accessories.

Tension is the number of stitches and rows that an average knitter will achieve to stated measurements, using specific yarn, pattern and needles. It is used to translate measurements into the number of stitches and rows to be worked.

Before commencing a specific project, check your tension by working a swatch about 13cm square in pattern, yarn and needles or crochet hooks as stated. Stretch swatch in each direction and allow to rest.

Mark 10cm horizontally in the middle of the test piece (diag. 1 and 3) and count stitches between markers.

Mark 10cm vertically in the middle of test piece (diag. 2 and 4) and count the rows between markers.

If the number of stitches and rows is less than quoted, knit another swatch, using smaller needles or hooks.

If the number of stitches and rows is greater, use larger needles or hooks.

You may need to knit or crochet samples a few times until the stated tension is achieved.

It is more important to obtain the right number of stitches than rows.

Diagrams 1 and 2 show stitching and rows of stocking stitch of standard double knitting tension.

Diagrams 3 and 4 show stitches and rows of double crochet of average double knitting tension.

Substituting yarns

If you are intending to use yarns other than specified, look for a type of yarn that has the same texture and fibre content: wool for wool, cotton for cotton, with same or similar standard tension and same thickness as original yarn.

The best indicators of the thickness of the yarn are the tension and size of needles or hooks used. A standard crochet tension is not usually available.

Here, we list the standard knitting tension of classic yarns, although these may vary:

- 4 ply** yarn is 28 stitches and 36 rows, to 10 x 10cm, over stocking stitch, using 3¼mm needles.
 - Double knitting** yarn is 22 stitches and 28 rows, to 10 x 10cm, over stocking stitch, using 4mm needles.
 - Aran yarn** is 18 stitches and 24 rows, to 10 x 10cm, over stocking stitch, using 5mm needles.
 - Chunky yarn** is 14 stitches and 19 rows, to 10 x 10cm, over stocking stitch, using 6½mm needles.
- For example: If the pattern states 30 stitches and 38 rows over stocking

stitch, you may be able to use 4 ply yarn for this, but using 3mm needles instead of 3¼mm.

In both knitting and crochet, yarn amounts may differ when using substituted yarn, so check the ball band for weight and length informations.

If the length is different, work out your amounts by multiplying the length of original yarn by the amount of balls quoted, divide this figure by the number of metres stated on the substituted yarn and that will give you the number of balls needed in the yarn you intend to use.

Making toys

If the toy is intended for under-3s, ensure all the parts are sewn on securely and embellishments used for features (beads, button, plastic nose) are substituted with embroidery. Toy fabric needs to be dense so that the stuffing doesn't show through. Use washable toy stuffing that conforms to safety standards. Make sure toys aren't over- or under-stuffed: under-stuffing can make the toy too floppy; over-stuffing will stretch the fabric.

Care symbols

Knitting Class

Slip knot

1 Loop the yarn with the ball end on top (the ball end is shown with a broken line).

2 Dip the needle into the loop, catch the ball end and pull it through the loop.

3 Pull both ends to tighten the knot.

4 Pull the ball end to bring the knot up to the needle.

Holding the yarn and needles

To make even stitches, control the yarn by taking it over the first finger of the right hand, under the second, over the third and under the fourth, or even around the fourth if necessary. Your

right hand also holds the needle that makes the new stitches. Hold this like a knife or a pencil – whichever is more comfortable. Your left hand holds the needle with the stitches already made.

Casting on by thumb method

1 Leaving a long end, hold the yarn in the left hand and take the left thumb under the yarn and upwards.

2 Insert the needle in the loop just made on the thumb.

3 Take the ball end of the yarn around the needle and bring it through the loop, slipping the loop off the thumb.

4 Pull the yarn end to close the stitch up to the needle. Continue to cast on stitches as steps 1-4.

Casting on by cable method

1 Make a slip knot, then hold the needle in your left hand.

2 Knit one without slipping the stitch off.

3 Insert the right-hand needles between the last 2 stitches just made, yarn round needle and pull the loop through, thus making new stitch. Slip the new stitch onto left needle.

4 Continue making stitches as step 3, until you have the number of stitches you need.

Knit stitch (k)

1 Turn the cast-on so that it's in the left hand and insert the right-hand needle from left to right in the front of the first stitch.

2 Take the yarn from behind to bring it under, up and over the right-hand needle.

3 Use the tip of the right-hand needle to pull the yarn through.

4 Slip the stitch off the left-hand needle to complete the new stitch on the right-hand needle. Continue to make knit stitches as steps 1-4.

Purl stitch (p)

1 With the yarn to the front, insert the right-hand needle from right to left in the front of the first stitch.

2 Take the yarn up and around the right-hand needle.

3 Use the tip of the right-hand needle to pull the yarn through.

4 Slip the stitch off the left-hand needle to complete the new stitch on the right-hand needle.

Casting off

Knit two stitches, then * use the left-hand needle to lift the first stitch over the second.

Knit the next stitch, then repeat from * until one stitch is left.

Break the yarn, take it through this stitch and draw up.

Invisible seaming

Sometimes called ladder or mattress stitch, this method of sewing up gives the neatest seams. Place the two edges together, right sides upwards and starting at the cast-on edge, take the yarn underneath the strand beside the edge stitch at one side and then the other. After a few stitches pull up the yarn to tension the seam.

Decrease by knitting two stitches together (k2tog)

1 Insert the needle in the next two stitches knitwise (that is, through the front of the loops).

2 Yarn round needle, pull through both stitches and slip these stitches off together. The resulting decrease has the top stitch slanting to the right.

1 Insert the needle in the next stitch knitwise (through the front of the loop) to slip it on to the right-hand needle.

2 Knit the next stitch, then use the left-hand needle to lift the slipped stitch over the knitted one. The resulting decrease has the top stitch slanting to the left.

Increase by knitting in the front and then the back of one stitch (kfb)

1 Knit the stitch in the usual way, but without slipping it off.

2 Take the right-hand needle to the back and knit the stitch again.

1 Pick up the strand lying between needles and knit in the back of it.

2 This makes a new stitch that fits closely between existing stitches

Crochet Class

Slip knot

1 Loop the yarn with the ball end on top (the ball end is shown with a broken line).

2 Dip the hook into the loop, catch the ball end and pull it through the loop.

3 Pull both ends to tighten the knot.

4 Pull the ball end to bring the knot up to the hook.

Holding the yarn and hook

Both crochet and yarn are held in the left hand, with the right hand holding the hook preferably like a pencil, but like a knife if you prefer. The work is held between thumb and first finger, with the ball end of

the yarn taken over the first three fingers and under the fourth, or around the fourth if necessary.

Extending the second finger holds the yarn taut for hooking.

Chain (ch)

1 Twist the hook under and over the yarn – yarn round hook (yrh). Pull the yarn through the loop on hook and drop it off to make first chain.

2 Continue to make chain in this way.
Each chain is made up of three strands, with the V shape the 'right side'. When counting chain don't count the loop on the hook.
At the start of a row chain will stand for the first stitch.

Slip stitch (slst)

1 Make a length of chain. Insert the hook under two strands of second chain from hook and yarn round hook.

2 Pull the yarn through the chain and loop on the hook. This stitch has virtually no height.

Double crochet (dc)

1 Insert the hook under the top two strands of the second chain from the hook. Yarn round hook.

2 Pull the yarn through to make loops on the hook. Yarn round hook again.

3 Pull the yarn through both loops on the hook to make one double crochet. Insert the hook in the next chain and repeat steps 1-2.

Remember not to take the yarn round hook before inserting the hook. When working into stitches always insert the hook under the top two strands of yarn unless instructed otherwise.

Half treble (htr)

In height the half treble is halfway between a double crochet and a treble and is frequently used as a transitional stitch between the two.

1 Yarn round hook and insert the hook in the third chain from the hook.

2 Yarn round hook and pull the yarn through to make a loop on the hook, then yarn round hook again.

3 Pull the yarn through all three loops on the hook to complete the stitch.

Treble (tr)

Treble stitch is twice the height of double crochet, because it has an initial yarn round hook, which requires additional steps (wraps) to complete the stitch. The height of stitches is dictated by the number of wraps worked.

1 Yarn round hook before inserting the hook under two strands of the fourth chain from the hook.

2 Yarn round hook and pull the yarn through to make three loops on the hook.

3 Yarn round hook again.

4 Pull the yarn through first two loops on hook, making two loops on the hook.

5 Yarn round hook for the last time and pull it through the remaining two loops to complete the stitch.

6 To continue making treble, yarn round hook and insert the hook in the next chain, then repeat steps 2-5. At the beginning of a row three chain usually stand in for the first treble.

On the next row make sure that the treble following the chain is made in the second

stitch of the previous row, because if it's made in the stitch immediately below you will have made an extra stitch. The last treble of the row will be made in the top chain that started the previous row. Understanding row-end stitches will keep the edges under control.

Double treble (dtr)

1 Yarn round the hook twice before inserting the hook under the top two strands of the fifth chain from the hook.

2 Yarn round hook and pull the yarn through to make four loops on the hook.

3 Yarn round hook and pull the yarn through the first two loops on the hook to make three loops on the hook.

4 Yarn round hook and pull the yarn through the next two loops on the hook to make two loops on the hook.

5 Yarn round hook and pull the yarn through the remaining two loops on the hook.

6 The finished double treble. To continue making double treble, yarn round hook twice and insert the hook in the next chain or stitch, then repeat steps 2-5.

Fastening off

Simply break the yarn, take it through the last loop and draw it up.

Increases

For clarity these are shown as single increases worked in treble, but the principle is the same in double crochet, double treble, etc.

1 At the beginning of a row, instead of working into the next stitch after the chain that counts as the first stitch, work into the stitch below. This increases one stitch.

2 Mid row simply work the additional stitch, or

3 At the end of a row, work two stitches in the top chain that formed the first stitch of the previous row. This increases one stitch.

Decreases

Decreases are part stitches worked into a stated number of stitches and then joined into one in the last stage of the stitch. Decreasing one treble stitch is shown, but the principle is the same in all stitches and for any number of decreases.

1 Without making the last wrap of each make a treble in each of the next two stitches: * yarn round hook, insert hook in next stitch, yarn round hook, pull through, yarn round hook, pull it through two loops; repeat from * once, leaving three loops on the hook.

2 Yarn round hook and pull it through all three loops on the hook.
