CUT OUT AND KEEP FOR 2015

Hello and welcome...

...to the latest *Knitting & Crochet* magazine, chock-a-block with marvellous makes.

There are many events throughout the year that inspire us – making for a special occasion or celebration is always extra enjoyable. So with Easter only weeks away, you won't be surprised it's the theme of this issue's seasonal collection (p31) – comprising a trio of adorable bunny cushions, a knitted basket containing little Easter chums, a brightly coloured crochet baby blanket, a pretty storage bowl and scrumptious-looking novelty cupcakes. Plus, there's Lynne Rowe's design for this month's square in our Knit-A-Long blanket series (p45) that has a cross motif throughout. Oh, and some quirky little egg cosies (p50) from our chosen Book of the Month.

In contrast to the seasonal colour-fest we've our 'Glorious Guernsey' opening feature (p6) – a striking and practical collection of Guernsey sweaters for all the family knitted in an authentic yarn, using different combinations of the traditional stitch patterns.

Our Designer of the Month is Brandon Mably, and we're sure you'll love his gorgeous floral cardi – it showcases his gift with colour beautifully. We also have a pretty-as-a-picture baby dress pattern from the WW archives, plus all the regulars – Tina's Tips & Tricks, Bookshelf, We Made These! and the workshop pages.

See you next month!

Whether you're a seasoned *Woman's Weekly* reader or picking up our fabulous *Knitting & Crochet* magazine for the first time, we're aware that, while of course you'll love to knit and/or crochet, you'll also have different skills at different levels. So we've signposted each project in the magazine with a new rating, from Easy Peasy to Quite A Challenge, as a guide to help you decide if the pattern suits your ability. However, we pride ourselves on our clear instructions, so you can try something that's more challenging or simply enjoy your skill.

DESIGNER *of the* MONTH

Be So Bold

Hot pink and warm orange are a striking combination in Brandon Mably's stylish short-sleeve cardi

Knitted history

Raised in a small town on the coast of South Wales, Brandon Mably has been interested in colour and design from a young age.

With no formal education in design, he made a radical career change from cooking to knitting in the late 1980s after a chance meeting with the author/designer Kaffe Fassett. Mably realised the creative potential of knitwear designs and soon became Fassett's apprentice.

For many years Mably organised the running of the Kaffe Fassett studio, where Fassett taught him to knit, needlepoint, hook rag rugs and grout mosaics. He began travelling the world with Fassett doing workshops. Exotic locations such as Africa, Iceland, India and Guatemala helped to influence his colourful, richly patterned designs.

Mably has learned one thing over the years – that most people have buried in them a sense of colour and design. And it is helping his students discover that design sensibility that continues to inspire and motivate his work.

Years of travelling to exotic places such as Africa and India have helped inspire Mably's wonderfully colourful designs

Tina's Tips & Tricks

Get the little things right and your knitting will be beautiful

We want your knitting to be the best it can possibly be. So it's a good job we have Tina. A true knitting professional, Tina's been Technical Knitting Editor at *Woman's Weekly* for 15 years. And now she's here to help you! Every month, Tina answers the most common questions you've sent in and resolves some of the issues we face as knitters. Together, we'll make your knitting beautiful!

Confused by cable

Q My knitting is normally smooth and even. Except when I knit cables. I always end up with a ladder effect down one side of the cable, and it really spoils my work. Do you know why this happens and what I can do to stop it?

A I call this ladder syndrome. It happens when you change from knit stitch to purl stitch and can affect even the most neat and fastidious of knitters. The problem has a lot to do with the way you're holding the yarn. If you're holding it in your right hand, it can be a little tight when changing over from purl to knit, and slightly slack when changing from knit to purl. The ladder syndrome isn't an issue for people who knit in the continental way, because the yarn is always held in the left hand. To stop it happening, make sure the yarn is firmly at the base of the last stitch worked before taking it to the front, tightening it slightly. This can take time to get used to, but it'll be worth it.

A fine vintage

Q I really love vintage knitting patterns and have found them fascinating for years. Probably because my mum was always knitting patterns she'd seen in old copies of *Woman's Weekly* magazine! There's something so classy and timeless about a lot of the old patterns, and I'd love to have a go at making some myself. Is it possible to get hold of patterns from the *Woman's Weekly* archive, or is there another way I could get some?

A There's such a lot of interest in vintage patterns at the moment, which is just great. We've been digging into our archives quite a lot recently and republishing some of the best patterns from way-back-when. Sadly, though, we can't allow public access to the archives – for logistical reasons as much as anything else. However, we are looking into making our original archived patterns available online. We'll keep you posted with any developments.

Uneven mattress stitch

Q I was lucky enough to attend one of the workshops you held at the *Woman's Weekly Live!* show recently. During the workshop, you introduced us to the idea of using mattress stitch for sewing up a garment. And I must say, I've been using it ever since. It makes such a real difference to the finished garment. But I have a question: when I sew up using mattress stitch, why does one edge always end up slightly lower than the other?

A When you join an item together with mattress stitch, you are effectively sewing the same rows together. But as you pull the sewing thread, the rows will fill on top of each other, just like the teeth on a zip, creating this tiny blip, or one side appearing lower than the other. But you could start the seam at the top instead, as this is the edge you're likely to be sewing into the armhole, for instance. When the last two rows have been sewn up, just turn the work to the wrong side and, holding the edges together, over-sew the cast-on edge one stitch in from the edge of your work. Doing this, the garment should be levelled out. Or, if you have to start at the bottom edge, make sure you don't secure the end of the yarn you are using for sewing-up. Instead, leave a longer end and make sure not to pull this end through when drawing the two sides of the garment together. When you've finished the seam, go back to the beginning and, using the free loose end, over-sew as described above. Good luck!

What a wreath

Making this Christmas wreath was a labour of love. I saw the pattern on a crochet blog called Attic 24. There were so many elements to the wreath to be crocheted. I used the time on my daily train commute to the office to get it done. Then there was the sewing up! I hung it on my door for the festive season. But it looked so lovely, I couldn't bear to take it down again come January. Oh, I wish it could be Christmas every day!

A stylish staple

Meet my fiancé, Ben. He won't wear anything textured, or anything with much colour, a pattern or even a stripe. So finding something I could knit for him was a challenge! In the end, I settled on this stylish wardrobe staple, a crew-neck jumper in navy. He was delighted with it. And so was I. It's been ten years since Ben and me got together. I love him to bits. But I don't think I'll be knitting him an amazing technicolour dreamcoat anytime soon!

Knit yourself glam

The moment I saw the pattern for this top, I thought of the silver screen. Of those glamorous stars of the 1930s, Garbo, Crawford and Harlow. So I whipped out my needles and before you could say 'I want to be alone', I'd made it. Well, it wasn't quite as easy as that, but this is the Hollywood-ised version of events. I'm so pleased with the finished result. The look, the fit, the colour. And if it makes me feel a little bit like a Hollywood siren, so much the better!

Sarah Begley, London

Hot-water buddies

Last year, I made a hot-water bottle for myself in my favourite colour, purple. It was my first-ever project and it appeared on this page last year. Then I decided to knit another, in red, for a dear friend. Second time round I embellished it with these pretty robin buttons. My knitting confidence has rocketed and I think that before long I'll have knitted a rainbow of hot-water bottles!

To twist a single knit or purl stitch you simply work in the back of the loop instead of the front.

Yarn

Patons Merino Extra Fine Cotton DK, using 3¼mm (No. 9) knitting needles. Cable needle.

Abbreviations

K, knit; **p**, purl; **st**, stitch; **kb or pb**, k or peach st through back of loop; **cr3**, cross 3 (slip next 2 sts on to cable needle and leave at front, k1b, slip p st on cable needle back on to left-hand needle, p this st, then k1b from cable

needle); **cr2rt**, cross 2 right (slip next st on to cable needle and leave at back, k1b, then p1 from cable needle); **cr2lt**, cross 2 left (slip next st on to cable needle and leave at front, p1, then k1b from cable needle).

Note

Instructions in square brackets are worked as stated after the second bracket.

Shadow rib

This is simply reverse stocking stitch with every third stitch worked knit through the back of the loop on right side rows.

Multiple of 3 sts plus 2.
1st row (wrong side): K.
2nd row: P2, [k1b, p2] to end.
Repeat 1st and 2nd rows.

Cable rib

A combination of twist stitches and cables makes a very curvy design.

Multiple of 5 sts plus 2.
1st row (wrong side): K2, [p1b, k1, p1b, k2] to end.
2nd row: P2, [k1b, p1, k1b, p2] to end.
3rd row: As 1st row.
4th row: P2, [cr3, p2]

to end.
Repeat 1st to 4th rows.

Twisted k2, p2 rib

This familiar rib takes on more verticality when twist stitches are introduced.

Multiple of 4 sts plus 2
1st row (right side): K2b, [p2, k2b] to end.
2nd row: P2b, [k2, p2b] to end.
Repeat 1st and 2nd rows.

Swedish check

This is a block pattern which looks dense, although the twist stitches are on right-side rows only.

Multiple of 4 sts plus 2.
1st row (right side): Kb.
2nd row: P.
3rd row: K2b, [p2, k2b] to end.
4th row: P2, [k2, p2] to end.
5th row: Kb.
6th row: P.

7th row: P2, [k2b, p2] to end.
8th row: K2, [p2, k2] to end.
Repeat 1st to 8th rows.

Twisted tree

Branching cables are emphasised with twist stitches on both sides of the work.

Panel of 13 sts.
1st row (right side): K1b, p4, k3b, p4, k1b.
2nd row: P1b, k4, p3b, k4, p1b.
3rd row: K1b, p3, cr2rt, k1b, cr2lt, p3, k1b.
4th row: P1b, k3, [p1b, k1] twice, p1b, k3, p1b.
5th row: K1b, p2, cr2rt, p1, k1b, p1, cr2lt, p2, k1b.

6th row: P1b, k2, [p1b, k2] twice, p1b, k2, p1b.
7th row: K1b, p1, cr2rt, p1, k3b, p1, cr2lt, p1, k1b.
8th row: P1b, k1, p1b, k2, p3b, k2, p1b, k1, p1b.
Repeat 1st to 8th rows.

Sailor's rib

Blocks and twisted single rib make up this traditional stitch pattern.

Multiple of 5 sts plus 1.
1st row (right side): K1b, [p1, k2, p1, k1b] to end.
2nd row: P1, [k1, p2, k1, p1] to end.
3rd row: K1b, [p4, k1b] to end.
4th row: P1, [k4, p1] to end.
Repeat 1st to 4th rows.

Once you have understood the methods these are fun ways to decorate all kinds of projects.

Yarn

Sublime Extra Fine Merino Wool DK, using a 3.50 crochet hook.

Abbreviations

Ch, chain; **chsp**, chain space; **dc**, double crochet; **htr**, half treble; **tr**, treble; **slst**, slip stitch; **st**, stitch.

Vertical leaf

This leaf is worked into a chain on a background of treble and is the centre leaf of the threesome.

Right side facing and holding contrast yarn at the front, insert hook between sts

at the point that will be the base of the leaf and bring it out underneath the st to the left, catch the yarn and pull a loop under the st to the right side, yarn round hook and pull it through the loop on the hook to anchor the yarn. Make 7ch, miss 2 rows and insert hook under tr immediately above previous tr, * catch yarn and pull it through loop on hook. Swivel work, 1ch, working in one strand of each of 7ch: 1dc, 1htr, 2tr, 1htr, 1dc, slst. Swivel work, 1ch, working in remaining 2 strands of 7ch: 1dc, 1htr, 2tr, 1htr, 1dc, slst. Fasten off. Use yarn ends to neaten top and base of leaf.

Angled leaves

These are freely placed versions of the vertical leaf.

Insert the hook in a suitable place for the base of the next leaf and anchor the yarn as before. Make 7ch, then insert hook in a st or between sts at a distance so that the chain rests at an angle on the surface of the work and complete this leaf as the vertical leaf from *. Make a 3rd leaf in the same way.

Stem

This chain-like surface crochet is worked with the contrast yarn held underneath.

Right side facing and holding the contrast yarn underneath the work, insert the hook in a st or between sts, catch the yarn and pull it through. * To make a st insert the hook again at a suitable distance, catch the yarn and pull it through the work and the loop on the hook. Repeat from * for the length required.

Popcorn petals

Two popcorns are worked into each side of a space to make this fat little flower.

For the background work rows of tr to the row for positioning the flower.

Next row (right side): Tr to the position of the flower, 2ch, miss next 2tr, tr to end.

Next row: Tr to chsp, working in front strand only of 2ch, work 1tr in each ch, tr to end. Continue in tr.

Flower

Right side facing and holding the contrast yarn at the front, insert the hook under tr to the left side of chsp, catch the yarn and pull it through the chsp. Yarn round hook and pull it through loop on hook to anchor yarn around tr.

First petal: 3ch, work 3tr around tr, remove hook leaving loop, insert hook in 3rd of 3ch, catch loop and pull it through, 3ch, slst around tr.

Second petal: In same side tr work as first petal.

Third and fourth petals: Swivel work to make 1 petal in each of 2tr.

Fifth and sixth petals: Swivel work to make 2 petals around tr at side of chsp.

Seventh and eighth petals: Swivel work to make 1 petal in remaining strands of each of 2ch. Slst in first ch. Fasten off.

Glossary

Tension

Practically every knitting instruction will state a tension, with a few exceptions, like toys or small accessories.

Tension is the number of stitches and rows that an average knitter will achieve to stated measurements, using specific yarn, pattern and needles. It is used to translate measurements into the number of stitches and rows to be worked.

Before commencing a specific project, check your tension by working a swatch about 13cm square in pattern, yarn and needles or crochet hooks as stated. Stretch swatch in each direction and allow to rest. Mark 10cm horizontally in the middle of the test piece (diag. 1 and 3) and count stitches between markers. Mark 10cm vertically in the middle of test piece (diag. 2 and 4) and count the rows between markers. If the number of stitches and rows is less than quoted, knit another swatch, using smaller needles or hooks. If the number of stitches and rows is greater, use larger needles or hooks.

You may need to knit or crochet samples a few times until the stated tension is achieved.

It is more important to obtain the right number of stitches than rows.

Diagrams 1 and 2 show stitching and rows of stocking stitch of standard double knitting tension.

Diagrams 3 and 4 show stitches and rows of double crochet of average double knitting tension.

Substituting yarns

If you are intending to use yarns other than specified, look for a type of yarn that has the same texture and fibre content: wool for wool, cotton for cotton, with same or similar standard tension and same thickness as original yarn.

The best indicators of the thickness of the yarn are the tension and size of needles or hooks used. A standard crochet tension is not usually available.

Here, we list the standard knitting tension of classic yarns, although these may vary:

4 ply yarn is 28 stitches and 36 rows, to 10 x 10cm, over stocking stitch, using 3¼mm needles.

Double knitting yarn is 22 stitches and 28 rows, to 10 x 10cm, over stocking stitch, using 4mm needles.

Aran yarn is 18 stitches and 24 rows, to 10 x 10cm, over stocking stitch, using 5mm needles.

Chunky yarn is 14 stitches and 19 rows, to 10 x 10cm, over stocking stitch, using 6½mm needles.

For example: If the pattern states 30 stitches and 38 rows over stocking

stitch, you may be able to use 4 ply yarn for this, but using 3mm needles instead of 3¼mm.

In both knitting and crochet, yarn amounts may differ when using substituted yarn, so check the ball band for weight and length informations. If the length is different, work out your amounts by multiplying the length of original yarn by the amount of balls quoted, divide this figure by the number of metres stated on the substituted yarn and that will give you the number of balls needed in the yarn you intend to use.

Making toys

If the toy is intended for under-3s, ensure all the parts are sewn on securely and embellishments used for features (beads, button, plastic nose) are substituted with embroidery. Toy fabric needs to be dense so that the stuffing doesn't show through. Use washable toy stuffing that conforms to safety standards. Make sure toys aren't over- or under-stuffed: under-stuffing can make the toy too floppy; over-stuffing will stretch the fabric.

Knitting Class

Slip knot

1 Loop the yarn with the ball end on top (the ball end is shown with a broken line).

2 Dip the needle into the loop, catch the ball end and pull it through the loop.

3 Pull both ends to tighten the knot.

4 Pull the ball end to bring the knot up to the needle.

Holding the yarn and needles

To make even stitches, control the yarn by taking it over the first finger of the right hand, under the second, over the third and under the fourth, or even around the fourth if necessary. Your

right hand also holds the needle that makes the new stitches. Hold this like a knife or a pencil – whichever is more comfortable. Your left hand holds the needle with the stitches already made.

Casting on by thumb method

1 Leaving a long end, hold the yarn in the left hand and take the left thumb under the yarn and upwards.

2 Insert the needle in the loop just made on the thumb.

3 Take the ball end of the yarn around the needle and bring it through the loop, slipping the loop off the thumb.

4 Pull the yarn end to close the stitch up to the needle. Continue to cast on stitches as steps 1-4.

Casting on by cable method

1 Make a slip knot, then hold the needle in your left hand.

2 Knit one without slipping the stitch off.

3 Insert the right-hand needles between the last 2 stitches just made, yarn round needle and pull the loop through, thus making new stitch. Slip the new stitch onto left needle.

4 Continue making stitches as step 3, until you have the number of stitches you need.

Knit stitch (k)

1 Turn the cast-on so that it's in the left hand and insert the right-hand needle from left to right in the front of the first stitch.

2 Take the yarn from behind to bring it under, up and over the right-hand needle.

3 Use the tip of the right-hand needle to pull the yarn through.

4 Slip the stitch off the left-hand needle to complete the new stitch on the right-hand needle. Continue to make knit stitches as steps 1-4.

Purl stitch (p)

1 With the yarn to the front, insert the right-hand needle from right to left in the front of the first stitch.

2 Take the yarn up and around the right-hand needle.

3 Use the tip of the right-hand needle to pull the yarn through.

4 Slip the stitch off the left-hand needle to complete the new stitch on the right-hand needle.

Casting off

Knit two stitches, then * use the left-hand needle to lift the first stitch over the second.

Knit the next stitch, then repeat from * until one stitch is left.

Break the yarn, take it through this stitch and draw up.

Invisible seaming

Sometimes called ladder or mattress stitch, this method of sewing up gives the neatest seams. Place the two edges together, right sides upwards and starting at the cast-on edge, take the yarn underneath the strand beside the edge stitch at one side and then the other. After a few stitches pull up the yarn to tension the seam.

Decrease by knitting two stitches together (k2tog)

1 Insert the needle in the next two stitches knitwise (that is, through the front of the loops).

2 Yarn round needle, pull through both stitches and slip these stitches off together. The resulting decrease has the top stitch slanting to the right.

1 Insert the needle in the next stitch knitwise (through the front of the loop) to slip it on to the right-hand needle.

2 Knit the next stitch, then use the left-hand needle to lift the slipped stitch over the knitted one. The resulting decrease has the top stitch slanting to the left.

Increase by knitting in the front and then the back of one stitch (kfb)

1 Knit the stitch in the usual way, but without slipping it off.

2 Take the right-hand needle to the back and knit the stitch again.

1 Pick up the strand lying between needles and knit in the back of it.

2 This makes a new stitch that fits closely between existing stitches

Crochet Class

Slip knot

1 Loop the yarn with the ball end on top (the ball end is shown with a broken line).

2 Dip the hook into the loop, catch the ball end and pull it through the loop.

3 Pull both ends to tighten the knot.

4 Pull the ball end to bring the knot up to the hook.

Holding the yarn and hook

Both crochet and yarn are held in the left hand, with the right hand holding the hook preferably like a pencil, but like a knife if you prefer. The work is held between thumb and first finger, with the ball end of

the yarn taken over the first three fingers and under the fourth, or around the fourth if necessary.

Extending the second finger holds the yarn taut for hooking.

Chain (ch)

1 Twist the hook under and over the yarn – yarn round hook (yrh). Pull the yarn through the loop on hook and drop it off to make first chain.

2 Continue to make chain in this way.
Each chain is made up of three strands, with the V shape the 'right side'. When counting chain don't count the loop on the hook.
At the start of a row chain will stand for the first stitch.

Slip stitch (slst)

1 Make a length of chain. Insert the hook under two strands of second chain from hook and yarn round hook.

2 Pull the yarn through the chain and loop on the hook. This stitch has virtually no height.

Double crochet (dc)

1 Insert the hook under the top two strands of the second chain from the hook. Yarn round hook.

2 Pull the yarn through to make loops on the hook. Yarn round hook again.

3 Pull the yarn through both loops on the hook to make one double crochet. Insert the hook in the next chain and repeat steps 1-2.

Remember not to take the yarn round hook before inserting the hook. When working into stitches always insert the hook under the top two strands of yarn unless instructed otherwise.

Half treble (htr)

In height the half treble is halfway between a double crochet and a treble and is frequently used as a transitional stitch between the two.

1 Yarn round hook and insert the hook in the third chain from the hook.

2 Yarn round hook and pull the yarn through to make a loop on the hook, then yarn round hook again.

3 Pull the yarn through all three loops on the hook to complete the stitch.

Treble (tr)

Treble stitch is twice the height of double crochet, because it has an initial yarn round hook, which requires additional steps (wraps) to complete the stitch. The height of stitches is dictated by the number of wraps worked.

1 Yarn round hook before inserting the hook under two strands of the fourth chain from the hook.

2 Yarn round hook and pull the yarn through to make three loops on the hook.

3 Yarn round hook again.

4 Pull the yarn through first two loops on hook, making two loops on the hook.

5 Yarn round hook for the last time and pull it through the remaining two loops to complete the stitch.

6 To continue making treble, yarn round hook and insert the hook in the next chain, then repeat steps 2-5. At the beginning of a row three chain usually stand in for the first treble.

On the next row make sure that the treble following the chain is made in the second

stitch of the previous row, because if it's made in the stitch immediately below you will have made an extra stitch. The last treble of the row will be made in the top chain that started the previous row. Understanding row-end stitches will keep the edges under control.

Double treble (dtr)

1 Yarn round the hook twice before inserting the hook under the top two strands of the fifth chain from the hook.

2 Yarn round hook and pull the yarn through to make four loops on the hook.

3 Yarn round hook and pull the yarn through the first two loops on the hook to make three loops on the hook.

4 Yarn round hook and pull the yarn through the next two loops on the hook to make two loops on the hook.

5 Yarn round hook and pull the yarn through the remaining two loops on the hook.

6 The finished double treble. To continue making double treble, yarn round hook twice and insert the hook in the next chain or stitch, then repeat steps 2-5.

Fastening off

Simply break the yarn, take it through the last loop and draw it up.

Increases

For clarity these are shown as single increases worked in treble, but the principle is the same in double crochet, double treble, etc.

1 At the beginning of a row, instead of working into the next stitch after the chain that counts as the first stitch, work into the stitch below. This increases one stitch.

2 Mid row simply work the additional stitch, or

stitches, in the place indicated.

3 At the end of a row, work two stitches in the top chain that formed the first stitch of the previous row. This increases one stitch.

Decreases

Decreases are part stitches worked into a stated number of stitches and then joined into one in the last stage of the stitch. Decreasing one treble stitch is shown, but the principle is the same in all stitches and for any number of decreases.

1 Without making the last wrap of each make a treble in each of the next two stitches: * yarn round hook, insert hook in next stitch, yarn round hook, pull through, yarn round hook, pull it through two loops; repeat from * once, leaving three loops on the hook.

2 Yarn round hook and pull it through all three loops on the hook.
