Butterfly

1-Make a chain of 5 and close

2-Up side of the ring will have 4 treble crochet from both sides, down side of the ring will have 4 dc from both sides.

Treble crochet looks like:

Treble crochet example

How to make? Chain of 5, close, make a chain of 4(going up), make 2 treble crochet, new chain of 4 this time going down, to join at ring. Repeat to the other side. Down part is the same, but you use dc (double crochet).

Finish making a chain to lace half butterfly and sew the butterfly to rosette.

This is a pattern, if was a final item the back must look excellent. I wished you to see where is butterfly from back.
