STARTING: US TERMS

We are going to increase

Row 1- Magic ring OR make a chain of 3 and close

Row 2- 8 sc (single Crochet) in ring

Row 3- 2 hdc (half double Crochet) in every stitch, so, at same stitch!

Row 4- 2 hdc,1 hdc,2 hdc,1 hdc...repeat, all row

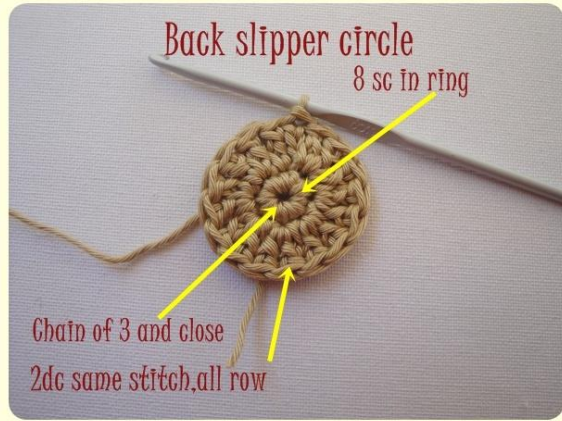

Row 5- 2 hdc same stitch, (make next 5 stitches 1 hdc alone, total will be 5 stitches), 2 hdc...repeat this all row

Row 6- Is like before but now we make 2 hdc same stitch, and make 6 hdc alone in next 6, then again 2 hdc same stitch...repeat...

Row 7- Like before but now is 2hdc same stitch and 7 hdc alone in next ones, 2 hdc, 7 hdc each next stitch...repeat...

We stop the increase, now we will make the body and sides of slipper with hdc and treble double crochet (is a big big doublecrochet!)

ZOOM IMAGES

As you can see:

We used treble double crochet and hdc (alternated), to build the body, make so many rows as your size need... and to **join the back** we made a circle:

Row 1-Chain of 3 and close

Row 2- 7 sc in ring

Row 3- 2 hdc each stitch, all row. Done!

Now we sew that back circle to slipper

ZOOM IMAGES

*Next: we make a row with single crochet (sc) and at sides we make chains of 4. Is only to support better the next sc.

*Next I changed to white and made one other row with sc, all slipper.

Time to the up white zone:

*2 hdc each stitch, skip one with a chain of one and make again 2 hdc...repeat...all slipper

*Create a cord. Mine needed a chain of 100.

Insert the cord at slipper white zone.

At the photos you see too versions of flower, let`s see:

BIG ONE:

- 1- Chain of 4
- 2- 8 sc in ring
- 3- Make 5 chains of 5
- 4- Make 8 dc at each petal
- 5- New row of chains, same number, now chains of 7
- 6- 11 dc to each petal

SMALL ONE:

1-chain of 3

2-7 sc in ring

3- Picot of 5, to each stitch

Note: I placed the small flower at the big one to look better. You decide which flower will use.

DONE!

GOOD WORK!!
