*Zoom PDF to watch better

NOTE the pins (marks) I placed at sole: this will allow me to make the upper only to the up part.

*Before starting the upper, I made a “line color” at sole, is the green row. BUT, is not and upper row. Is only decorative.

How to place the pins?

I presume you will change the size of slippers, but make similar to image. My slipper is at 12 row, from down to up counting.

UPPER:

Row 1- Chain 1, make a row in sc, only up zone of your pins!

Row 2- Chain 1, 7 sc, hdc (hald double crochet) next ones, but, leave 7 sc to end from the other side. You will always start with 7 sc and end with 7 sc. What change is the middle! We need both sides similar

Row 3- Chain 1, 7 sc, hdc,hdc,skip one,hdc, hdc, skip one...repeat....but make 7 sc in the end. I am not telling you the exact stitches because it will depend of your size. The idea is decrease with this row. Look images to see better.

Row 4- Chain 1, 7 sc, now make dc,dc,dc,(double crochet) and skip one,repeat... end with the 7 sc normal. We still decrease...

Row 5-Chain 1, 7 sc,make 4 dc(dc,dc,dc,dc,each stitch at once),skip one, repeat...end with the 7 sc. You can make now the first chain to lace in the back, is a chain of 40! Make the second one also after, but you need to cut the line.

The PINK COLOR you see I made to look better and also to join better the stitches. Is made like the green color line.

The flower:

Row 1: Chain of 5

Row 2: Chain of 2, to up...

Row 3: Make 2 dc

Row 4: a chain of 2, to go down..

Next Row: Repeat....

Watch images please. The flower at down image was made with magic loop.

IS DONE!

GOOD WORK!
