Preface

I would like to welcome you in my colorful crochet patterns. This patterns are made with love and care. I hope you can enjoy happy moments with your handmade works. They are able to bring us some peace and joy. Our days also need this special gifts to ourselves!

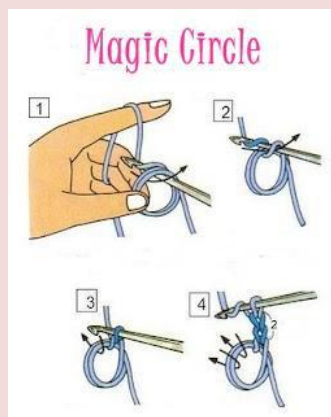

I describe the pattern in a step by step tutorial in English (US terminology) completed with detailed pictures.

Part 1

Chapter 1 – Materials

Pick 6/7 colors suitable for crochet hook 2.00 , baby cotton, mercerized cotton and organic cotton. Do not have that at home? No problem, use normal cotton, change colors and will look great!

My stitches

***Dc- Double crochet**

Is also my high stitch

***Sc- Single crochet**

Is also my low stitch

Part 2

Chapter 2- Starting

*Make a chain of 4 and 14 dc in ring

*Make 2 dc, 1 of chain, all row

You do not see the chain of one, but is there!

Next:

*3 dc in each "window", no chain between them

Looks like...

Ideas for this step

Use the lost yarns you have at home, match colors and create!

Part 3

Chapter 3- Owl Head

*Look image to guide you. Make 2 dc, 7 sc in next sts, again 2 dc

*Ch 1, all row with sc

Next 2 rows: sc all row

Note how we cross to the other side with slip stitch! Before that we made the first ear with a chain of 6...

General look

Is time for the green bobbles: is so easy...are sets of 5 dc

Look down image to see how to close them!

Please follow next steps:

Time to make the hard pink border: are simple chains of 3, stitch yes, stitch no...

Line color to look better (light pink)

Small Flower:

Start with a chain of 4, make 8 sc in ring

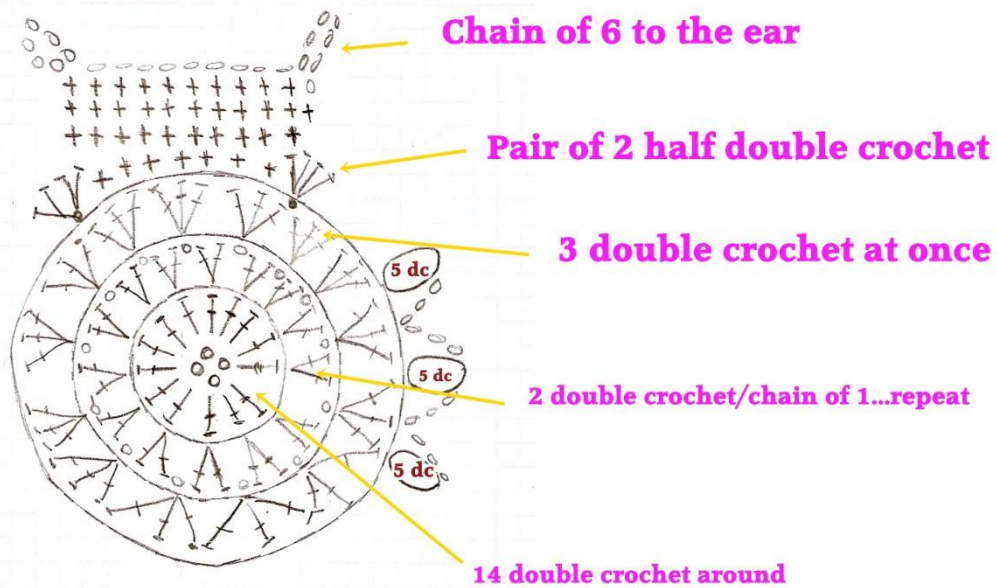

NOTE: (You will also use this to make the eyes: in the eyes case, you make new row of 2 sc at once (same place, repeat...))

Returning to the flower, now with the green center of Estelle image...we make a chain of 6 to the petals, almost one by stitch, is really easy...

Estelle Owl

Chain of 4
to begin

Here we have Estelle

Improvise new colors!

Enjoy!

Thank you

Author Bio

I love crafts since a child. I learned some of them at college. I work with markets and is usual to look market charts and make some handmade works when I am home. How is that possible? We need to watch markets for hours sometimes, waiting the right moment to decide a trade. Is very relaxing! I am a mother and also make some stuff to my daughter. Also make lots of gifts to several occasions. I am from Portugal, a small country in Europe. Is lovely and peaceful. We have sea and sea... also mountains , good food and sunny days! Yes ...you my wish to visit! I believe you will like a lot...
