STARTING!!

This is the biggest Rosette, you have two big ones in pattern image, they are similar, only different colors

One in the middle and one low stitch...

New Color...similar work...

Chain of two and one low stitch

New Color...similar

Green color: 2 in chain and two low same place

3 High Stitch and one separating

Yellow color, 2 high stitch each side. Note, you have a chain of one between them, but not from one group to another, watch images

You will understand better with next images

Make all around and the big Rosette is done!

Now, let's start the small one:

Like before, chain of 4, 14 high stitches around, but now we will make two low stitches each time (Lilac, up image)

Green: one low stitch each time

Pink:1 low stitch, leave one of space, one low stitch...

2 high stitches ,no chain separating, 2 same place

New color: orange, one low stitch each time, all around

Light Green: chain of 5 and one low stitch...repeat

4 High stitches each side separated for a chain of 3
(a closed chain)

Detail of the white color after work made

Looks Good!!

Small one!

GOOD WORK!!
