STARTING!!

*This is not a complicated pattern. You can change the parts you make to get new combinations to your flowers

*You have images to all!

*Is the same up flower with a down different base!

This down base is made alone, does not make part of the up flower

The base of flowers need large yarn or cotton, I used **Katia Mississippi**, the blue is **normal cotton** we use for baby clothes!

At this image you have 3 pieces:

- 1)Base (Pink, large cotton)
- 2)Green petals (normal cotton)
- 3)The circle (Large cotton)

Both 3 are made alone!

See the base? Is the left one. I made it with several colors, you can buy only one (Large Cotton), when you place the up part, no one will see what is down!

Pattern of the base:

Note: The circle inside the base and the circle you see outside other flower are made similar!

Row 1- Chain of 4 and close the chain

Row 2- Make 14 double crochet all around and close

Row 3- Make 2 single stitches at the same place, repeat all around (total 28)

Row 4- Make single stitch all around, one each time

Row 5- Now we are going to make some chains of 5, to place the petals of flower, all around, you can make 6 or 7 chains(7 looks better), as you like more, the final result will be great same way. Remember, chains of 5!

Row 6: Let`s place stitches inside the chains! 3 double crochet each side, separated by a chain of 3 (you close the chain like a crown), watch images, is easy!

And the base with large yarn is done. You can make this only with one color if wish to.

Please zoom image at PDF to watch better

How to make the white and green flower, to the middle of flowers?

Row 1- Chain of 4

Row 2- 1 double crochet each time, you need to place in the ring 6 double crochet separated by a chain of 2.

Row 3 – Another round, you make 12 double crochet separated by chain of 2 again, watch image to see how to place the stitches

Row 4 – Again chains of 5, 6 or 7, depending of the base you decided, if 6 or 7 petals!

Row 5 – Inside petal: 4 double crochet each side, separated by a chain of 3 (close the chain)

DONE!

Now let`s make the pink Flower! Is **one** peace alone!

ATTENTION TO NEEDLES!

Yellow zone, white zone and the first round of flower are made with needle 2.0

Row 1- Chain of 4

Row 2- 14 dc around

Row 3 – 2 dc each place (hole), when you make an other petal you jump to the next stitch with single crochet and make dc there, at the same hole, watch images!

Row 4 – Chain of 4 to each petal, 6 double crochet inside (still needles 2.0)

Row 5 – New row, **YOU USE NOW NEEDLES 3.5,**
make chain of 5 to each petal, and place inside the
chain,

Row 6- 4 dc each side, separated by a chain of 3
(close the chain like a crown)
