

A Little Rabbit Amigurumi

I hope you have fun crocheting this one, it's part of the Ami 2 pattern thingie, that I took out of the shop yesterday. I'll post the little bear with the balloon soon (there's a picture in my flickr set if you want to take a look).

Don't forget to leave a message if you have questions, and thank you **very much** for all the nice comments and e-mails :)
