pattern

- I recommend beginning with an adjustable ring.
- All rounds are worked in a continuous spiral; do not join rounds with a slip stitch. (Of course you can work all rounds joined if you want to.)
- You may find it useful to use a stitch marker for counting your rounds.

Top Part

With crème:

Round 1: 6 sc

Round 2: inc around (12)

Round 3: sc around (12)

Round 4: (2 sc, inc) repeat around (16)

→ If you're using safety eyes: attach them now.

Stuff the banana as you go on – or stuff at the end, just what feels more comfortable for you!
