Abbreviations:

ch = Chain

sc = Single Crochet

2sctog = single crochet 2 stitches together (decrease)

2scinc = single crochet twice in the same single crochet stitch (increase)

HDC= Half Double Crochet stitch

About this pattern: This pattern is worked in a spiral, so please mark the last stitch of each round to keep place, with a stitch marker or safety pin. When starting a piece, the pattern calls for a “ring” use what ever ring you would like: a slip knot, double ring, an adjustable loop, etc... The tail from the ring should be tightened and sewn into the piece and cut.
