MAKING THE SWEETS

Most bonbons are worked in two separate pieces: the top part, and the bottom and body in one piece. As Amigurumi is worked in spirals, you do not join rounds (unless stated otherwise). You can use a stitch marker to mark the end of your rounds and move it up every round.

You will need:

- One crochet hook size 2.5mm
- Yarn in white, red, yellow, orange, green, pink, black, blue and any pastel and bright colours of your choice
- Stitch marker or a paper clip (optional)
- Yarn needles
- Fibrefill to stuff the candies

Abbreviations:

CH – chain

ST – stitch

SL ST – slip stitch

SC – single crochet

SC DEC – single crochet decrease (decrease over 2 stitches)

SK – skip one stitch

Pattern stitches

- Single crochet
- Half double crochet
- Treble crochet

Finished size

- The sweets are bite-sized candies
