

Lapo, one-hour amigurumi

Body

Round 1: make a magic ring, 6 sc (6)

2: work even, no increase (6)

3: work even, no increase (6)

4: increase: 2 sc in every sc (12)

5: increase: *2 sc in the first sc, 1 sc in the sc after* repeat till the end of the row (18)

6: increase: *2 sc in the first sc, 2 sc in the 2 sc after* repeat till the end of the row (24)

7: work even, no increase (24)

8: work even, no increase (24)

9: work even, no increase (24)

10: decrease: *decrease the first, work normally the other 2 sc* repeat till the end of the row (18)

11: decrease: *decrease the first, work normally the other 1 sc* repeat till the end of the row (12) Stuff the body

12: decrease: decrease every sc (6)

Sl st and fasten off. Sew the tail, or crochet it (my pig was too little to crochet it, i've made a little braid and sewed it).

Please don't sell this pattern, nor the amigurumi

Ears, make 2!

1: make 4 chain + 1 turning chain, turn

2: 1 sc in every chain (4) + 1 turning chain, turn

3: 1 sc in the first sc, decrease the 2 central sc, 1 sc in the last sc (3) + 1 turning chain, turn

4: decrease the 2 first sc, 1 sc in the last sc (2) + 1 turning chain, turn

5: decrease the 2 remaining sc (1)

Fasten off. Sew the ears on the body.

Cut 2 rounds of black light felt (the italian "pannolenci") and 4 of pink. Glue them on the body.

That's all!
