

Lavender Bunny

Items Needed:

5 oz. of Worsted Weight Yarn

G Hook

Felt, embroidery thread, or doll eyes for the face.

***Note:** It's a good idea to leave a large tail of yarn when fastening off the body pieces. Then you just sew the pieces onto the body using the tail!*

A note on all my patterns: I offer my patterns free, and I'd like them to stay free, therefore feel free to print them out and pass them out to as many people as you'd like, I simply ask that you put my web address somewhere on the pattern, so people know where it came from. Never ever sell my patterns or present them as your own. You can give away items made from my patterns, but if you want to sell them you need to state that the pattern is free and available here. Please don't violate these rules and ruin things for everyone else. Thanks!
