

LollyPup

October 25, 2008 by [chibiami](#)

Just in time for my niece's 5th birthday (her nickname is Lolly), here is a ChibiAmi Original design: pretty, precious, patchy, puppy which I call LollyPup! Aaw...

Feel free to make as many as you like, if you sell any please give credit where credit is due, and do not sell the pattern itself. This pattern is untested and it's only the second pattern I've written so **please send feedback if you try it out!** I like to increase in each increase space, so some of my instructions might sound a bit wonky.

This pattern makes a really great Snoopy, too!

On to the pattern!

- Size G crochet hook
- Yarn needle
- 15mm plastic safety eyes
- 21mm plastic safety nose
