Slime amigurumi

Gauge is not important. Different size hook/yarn will simply give you a larger slime. I used worsted weight yarn and a 3.5mm (E) hook. Just make sure you produce a dense fabric, to keep the stuffing from showing.

I use the american crochet terms:

Sc = single crochet

Sc2tog = single crochet two stitches together: insert hook into stitch and draw up a loop. Then insert hook into next stitch and draw up a loop. Finally, yarn over (yo) and draw through all 3 loops on your hook. 1 stitch decreased.

This pattern is worked in a spiral, i.e. you do not join the rounds.
Start with a «magic ring» (a tutorial can be found [here](http://arpelia.wordpress.com))

5. (Sc 3, increase in next st) around (40 sts)
6. (Sc 9, increase in next st) around (44 sts)
7. (Sc 10, increase in next st) around (48 sts)
8. (Sc 5, increase in next st) around (56 sts)
9. (Sc 6, increase in next st) around (64 sts)
10. (Sc 15, increase in next st) around (68 sts)

14. Work even (72 sts)
15. Work even (72 sts)
16. Work even (72 sts)
17. Work even (72 sts)
18. (Sc 16, sc2tog) around (68 sts)
19. Work even (68 sts)
20. (Sc 15, sc2tog) around (64 sts)
21. (Sc 6, sc2tog) around (56 sts)
22. (Sc 5, sc2tog) around (48 sts)
23. (Sc 10, sc2tog) around (44 sts)
24. (Sc 9, sc2tog) around (40 sts)
25. (Sc 3, sc2tog) around (32 sts)

28. Work even (18 sts)
29. Work even (18 sts)
30. (Sc 4, sc2tog) around (15 sts)

Now it's about time to stuff your slime before you continue decreasing. While working the following rounds, continue to stuff the tip as you go, a little bit at a time.

31. (Sc 3, sc2tog) around (12 sts)
32. (Sc 2, sc2tog) around (9 sts)
33. (Sc 1, sc2tog) around (6 sts)
34. (Sc2tog) around (3 sts)

Break yarn, fasten off. Use felt for eyes and mouth. I happened to be lucky enough to find buttons that look like eyes, but felt will do just fine. Another thing you can do, is to cut the white of the eye from felt, and use safety eyes for the black. This is probably the best option, as sewing tiny bits of felt can get tricky.
