

Three Peas In A Pod Amigurumi

I recently whipped up a sweet little improvised set of peas in a pod for my best friend's son on the occasion of his first birthday. It was such a fun and easy project that I thought I'd share it with you. Keep in mind that, as with all of my instructions, they are a little sketchy.

I used a green ww yarn. In this case, [Crystal Palace Cotton Chenille](#) in "fern", and a hook only just large enough to grab the yarn. The fabric needs to be really tight to prevent the stuffing from showing through.

Pea Baby (make 3) foundation round: ch 2. 6 sc in second ch from hook.

rnd 1: 2 sc in every st. around (12 sts)

rnd 2: *sc, 2sc in next st* repeat around (18 sts)

rnds 3-5: sc in every st around

rnd 6: *sc, sc 2 tog* repeat around (12 sts)

firmly stuff the pea before the final round

rnd 7: sc 2 tog in every st. around (6 sts)

break end leaving a tail 8" or longer. Weave through each stitch around and pull firmly to close. Knot well and draw end through the pea a few times before cutting off.

Embroider face as desired.

Pea Pod (make 2)

Foundation row: ch 17. turn.

row 1: skipping first ch. from hook, sc across to last st. 2 sc in last st. (17 sts) ch 1 and turn.

rows 2-10: sc to last st. 2 sc in last st. ch 1 and turn.

Check whether your pod is wide enough to hold all 3 peas. If not, add a few more increase rows before moving on.

rows 11-15: sc across.

Break yarn leaving a tail about the length of your arm. Sew the two halves together.

Test the fit with your peas in the pod. If it is not deep enough to hold them in, single crochet around the top edge until you are happy with the fit.
