To make the tiny ami plants you will need:

Little amounts of worsted weight yarn in different colors

5 mm plastic eyes with safety backings

One little flower button for the tree

Embroidery floss, tapestry needle

Size E/4 (3.50 mm) crochet hook

Fiberfill or stuffing of your choice

When I made them, the little cactus and the tree ended up being approx. 2 inches/5cm tall, and the little potted daisy a little less than 3 inches/7 cm tall.

Depending on your tension and the yarn you use, they might end up being a little bit smaller or a little bit bigger ☺

Abbreviations I use:

ch = chain

hdc = half double crochet

dec = decrease

R = round

sc = single crochet

sk = skip

sl st = slip st

st(s) = stitch(es)

* = repeat directions between * and * as many times as indicated
