FINISHING:

For Apple Jack and Apple Annie:

- Finish stuffing Head and Body.
- Flatten Rnd 42 of Body and sew closed.
- Finish stuffing Arms and Legs.
- Flatten Rnd 22 of each Arm and sew closed.
- Sew one Arm to each side of Body over Rnds 24-31 of Body, being sure that Thumbs are pointing up.
- Flatten Rnd 31 of each Leg and sew to Rnd 42 of Body, being sure that Shoes are pointed to the Front of Body.

For Jack:

- Cut 92 – 6" long pieces of CR yarn for Hair.
- **NOTE**** - It helps to place the Hat on Jack's head off and on as you fringe his hair in place. This will allow you to follow his "hairline" and know where to place the Fringe on his head. You want

the Fringe to be about one Row above where his Hat will be sewn in place. This allows the hair to look very natural coming out from under his Hat. Following instructions for Fringe, attach 2 pieces of hair at a time. It also helps to start at the Center of his Forehead on Rnd 5 for the first piece of Hair. I worked 5 pieces of Hair on Rnd 5, then started tapering down on each side of his Face to Row 15, then just work straight across on Row 15 for the Back of his Head. (Once you sew his Hat on, it will look like he has a full Head of Hair, but if you were to take his Hat off, then he has a BIG bald spot on his Head.

- Sew Hat on Head.

- Trim Hair to desired length.

- With Right Sides together, fold one Pant Leg in half and matching Ends of Rows, sew the inside Seam together.

- Repeat with other Leg, then continue sewing up the Back Seam of Rows 1-12 of Pants. Turn pants Right Side out.

- Sew one button to each side of Front of Bib on Rows 1-2.

- Tack end of Stem to Top of Apple.

- Using picture as guide, sew Apple and Leaf to Front of Bib.

- Put Pants on Jack and turn Rows 28-31 up over Pants to create Cuffs.

- Cross the Straps in back and button Row 1 of each Strap to buttons on Front of Bib.

- Using picture as guide, start lacing Shoelaces on Rnd 6 of Shoes and crisscross twice working up Rnds of Shoes. Tie in a Bow.

- Using picture as guide, sew Nose to Front of Face.

- With a strand of HR, sew a Mouth below the Nose.

- With a long strand of Black, sew two Eyes on.

- Weave in all ends.

For Annie:

- Cut 50 – 30" long pieces of Caf for Hair.

You will be starting on Rnd 4 of Annie's Head with her Hair. Pick the Center stitch on Rnd 4 on the Front of her Head and pull 2 strands of yarn through. Each time you pull the yarn through, be sure that the strands are even on each side of her Head. After you have all of the yarn pulled through, you will be braiding the "Hair", so you want the sides even. The center of the strands will be creating a part in her Hair. Continue pulling 2 strands through at a time over the Top of her Head and down to her Neck. You might have to go back in and fill in with a strand or two of

Apple Jack and Apple Annie – Page 5

yarn.

- Once you have all of the strands pulled through, be sure that all of the hair is in place and tie with a piece of HR at the nape of her neck. Rep with other side of hair. Braid each side and tie with another piece of HR at Bottom of Braid. Trim the Hair evenly under the 2nd Tie.
- With a long strand of Caf, weave in and out of Forehead area to make Bangs. Trim to desired length.
- Tack the Stems of Apples to each Apple.
- Sew one Lim Apple and one Leaf to the Bodice of her dress.
- Evenly space the other 10 Apples around the Bottom section of Annie's Dress, alternating a HR Apple and a Lim Apple. Sew in place.
- Sew each Leaf in place on each Apple.
- Using picture as guide, start lacing Shoelaces on Rnd 6 of Shoes and crisscross twice working up Rnds of Shoes. Tie in a Bow.
- Using picture as guide, sew Nose to Front of Face.
- With a strand of HR, sew a Mouth below the Nose.
- With a long strand of Black, sew two Eyes on.
- Weave in all ends.
