Hat Border

*The hat border I made with a fluffy yarn called Phil Douce, but any similar yarn will do. I used hooksize 5,5.
 Work Sch and on top of those 4sc. Now you make rows of 4 sc until the parts is long enough. Mine only covers the front of the pillow.
 When you decide to make this piece with regular coton, make rows of 8 sc.
 Make the top border of the sock the same way.*

Assembling

- Take the face and click in the eyes about 1.5 cm from the bottom. Then take part 1 of the beard and lay it against the bottom of the face. Make sure the bottom of the beard overlaps the white part of the heel a little. Place the washers on the inside of the sock. Now place the other pieces of the beard. Don't sew the bottom parts yet!
- Place the mouth with the moustache parts on top of it. Let the edges of the moustache cover the edges of the beard. Put the nose on top of the moustache.
- Place the hat above the face (don't let the parts overlap). use the border to cover both parts.

- Place the hands on both sides of the bottom of the beard.
- Once that is done you can finish sewing the beard parts.
- Place the sack in the hands.
- Decorate the stocking with holly and berries.

Holly

In green

Stitches between brackets (..) are all crocheted in the same stitch. I like it better when you don't work under the V of the chains but in the "leftover" loop at the back. Check the pictures for more info.

1. Chain 12
2. Start in the 2nd ch from the hook: 2 sc – 1 hdc – 1 dc – (1 dc – 1 tc – chain 3 – ss in the 1st chain – 1 dc) – 1 dc – 1 hdc – 1 dc – (1 dc – 1 tc – chain 3 – ss in the 1st chain – 1 dc) – 1 hdc – (1 dc – 1 tc – chain 3 – ss in the 1st chain – 1 dc)

Work along the other side of the chain, in the back loops only!

- 1 hdc – (1 dc – 1 tc – chain 3 – ss in the 1st chain – 1 dc) – 1 dc – 1 hdc – 1 dc – (1 dc – 1 tc – chain 3 – ss in the 1st chain – 1 dc) – 1 dc – 1 hdc – 2 sc.
3. End with an ss in the first sc

Berries

In red

1. 6sc in magic ring
2. *1sc - inc* repeat (9)

Tie off

Place the berries in groups of 3. You can easily glue them with a glue gun but of course you can also sew them.
