62. 32 sc – Now you'll make an ss through the next 2 st from round 38 (take 2 the front loops and make an ss)

See pic 1 and 2 – 1 ch – turn

From now on all the rows end this way

63. 14 sc – inc – 3sc – inc – 14 sc – 1 ss in 2 st from round 37 – 1 ch - turn

72. 25 sc – inc – 26 sc – Row done – do not turn, no ss!

Work in spirals again:

73. 1 dec in R.37 (pic 3) – continue around – 53 sc (54)

74. *8 sc – inc* repeat (60)

75. *9 sc – inc* repeat (66)

76 and 77. 66 sc

78. *10 sc – inc* (72)

79 to 117. 72 sc

118. 72 sc

Tie off.

Border:

Make 6 chains and work 5 sc on top. Continue working in rows of 5 sc's. Work all the sc's in the back loops. When working this way you will get a "ribbed effect".

Continue this way until the border is long enough to fit around the entire top part of the stocking. Then join the border with the white round of the stocking with a round of sc's (work through both layers.

Face

In white:

1. 6 sc in magic ring (6)
2. 2 sc in each st (12)
3. *1 sc – inc* repeat (18)
4. *2 sc – inc* repeat (24)
5. *3 sc – inc* repeat (30)
6. 30 sc
7. *4 sc – inc* repeat (36)
8. 36 sc
9. *5 sc – inc* repeat (42)
10. to 28. 42 sc
29. *5 sc – dec* repeat (36)
30. 36 sc
31. *4 sc – dec* repeat (30)
32. 30 sc
33. *3 sc – dec* repeat (24)
34. *2 sc – dec* repeat (18)
35. *1 sc – dec* repeat (12)
36. 6 x dec (6)

Click in the eyes in the middle of the face, about 3 cm from the top. Leave 5 st between them. Push the eyes through the entire work and place the washers on the inside of the sock. Let the bottom of the face meet round 73 of the sock (the last row made in rows)

Nose

In orange:

1. 6 sc in magic ring (6)
2. 2 sc in each st (12)
- 3 and 4. 12 sc
5. 3 sc – 2 x dec – 5 sc (10)
6. 2 sc – dec – 6 sc (9)
7. 2 sc – dec – 5 sc (8)
8. 2 sc – dec – 4 sc (7)
9. 2 sc – dec – 3 sc (6)

Sew with needle and thread through the remaining stitches and pull tight to close the hole. Embroider with brown or black a few stripes on the nose.

With black you embroider the mouth under the nose.

Hat Border And Scarf

Both parts are made in the same way.

The hat border starts with 61 chains with 60 sc on top of them, the scarf exists out of 2 parts made out of 51 chains with 50 sc on top. Work in this way, the amount of stitches is the same for each row:

1. In blue: 61 ch
2. In blue: 60 sc
3. and 4. Dark blue
5. white
6. and 7. Dark blue (row 6 in the back loops)
8. white
9. Attach a silver thread at the right side from the last white row and make 1 row of ss's in the back loops.
10. Attach a silver thread above the loops in row 6 and make a row of ss's (see picture)

Now make the face. When the face is sewed on you can sew the border of the hat along the top part of the face. Both parts of the scarf will go on either side of the bottom part of the face. Make a knot in the middle.

Arms

In dark blue:

Part 1 (thumb)

1. 6 sc in magic ring (6)
2. *1 sc – inc* repeat (9)
3. 9 sc
4. Tie off.

2. 2 sc in each st (12)
3. *1 sc – inc* repeat (18)
4. to 7. 18 sc
8. *4 sc – dec* repeat (15)
9. 15 sc
10. 3 sc – join the thumb with 2 sc – continue along part 2 – 10 sc

Work along both parts:

11. and 12. 24 sc
13. *2 sc – dec* repeat (18)
14. and 15. 18 sc

Switch to white:

16. 18 sc

Keep working in round of 18 sc until the arms are long enough. I made the right one 7 rounds long and the left one 2 rounds long.

Hat

1. 6sc in magic ring

10. *3sc - inc* repeat (15)
11. and 12. 15sc
13. *4sc - inc* repeat (18)
14. and 15. 18sc
16. *5sc - inc* repeat (21)
- 17and18. 21sc
19. *6sc - inc* repeat(24)
20. to 26. 24c
27. *7sc- inc* repeat (27)
28. to 30. 27sc
31. *8sc - inc* repeat (30)
- 32 to 34. 30sc
35. *9sc - inc* repeat (33)
36. to 38. 33sc
39. *10sc - inc* repeat (36)
40. to 42. 36sc
43. *5sc - inc* repeat (42)
44. and 45. 42sc
46. *6sc - inc* repeat (48)
47. and 48. 48sc
49. *7sc- inc* repeat (54)
50. and 51. 54sc
52. *8sc - inc* repeat (60)
53. to 56. 60sc
57. *9sc - inc* repeat (66)
58. to 64. 66sc

Make a pompom or bell at the end of the hat.

Assembling:

- Place the hat above the face. Let their borders meet each other. This will get a bit bumpy but that doesn't matter. Sew or glue this. Then place the border of the hat on top of both edges. Fold the edges to the back and fix them there.
- Fix both parts of the scarf the same way and make a knot in the middle. Don't sew the bottom edge of the scarf yet so you can put the arms a little underneath it.
- Place the arms on both sides of the bottom of the face and put the broom in the hands. The broom is easy to fix with a glue gun but of course you can also sew it.

Broom

Stuff the broomstick as you go.

In dark brown:

1. 6 sc in magic ring
2. *1 sc – inc* repeat (9)
3. to 45. 9 sc

Leave a long thread to attach the next part:

1. Take a bundle of 25cm long threads and fold them, tie them together in the middle.
2. Sew the bundle to end of the broomstick using the brown thread. Use a light brown thread and tie the bundle about 2cm from the end. Make it very tight!
3. Sew with a light brown thread a couple of times through the bundle and the broomstick.

4. Turn the broom so the threads fall downwards.
5. Tie another thread around the bundle so you get a ball shape at the top about 2cm big.
6. Split the threads to get a real broom effect. Twist the threads and split them.
