FIT GUIDE

Stretch to fit

Bodice circumference is less than the body measurement. The garment is designed to stretch to fit the body.

Snug fit

Minimal ease (0-5cm). The bodice circumference is equal to or slightly larger than the body measurement. The garment is shaped to fit the body snugly.

Classic fit

Approximately 5 to 15cm of ease. With or without shaping. Designed to fit the body comfortably.

Loose fit

Greater than 15cm ease. A larger, roomier fit, usually a drop shoulder or square set-in sleeve.

KNITTER RATING

★ Beginner

Suitable for a beginner knitter, familiar with reading a pattern and abbreviations, able to cast on, knit, purl and cast off. Able to work very basic shaping.

★★ Intermediate

Suitable for a knitter with experience in increasing, decreasing, shaping and basic texture patterns.

★★★ Advanced

Suitable for a knitter with experience in intarsia, fairisle, cables, complicated texture or lace patterns and shaping.

Caring for your garment

HAND WASHING

For best results, gently hand wash knitted items in lukewarm water, using a wool detergent. Rinse thoroughly in lukewarm water. Rinse again in cold water.

DRYING

To remove excess moisture after washing, roll garment inside a large towel and gently squeeze. Alternatively, spin dry inside a pillow case. Never tumble dry. Place on a flat surface in the shade to dry, coaxing back into shape whilst damp. Drying flat is recommended. Do not dry directly in front of an open or artificial fire.

DRY CLEANING

Generally is not recommended as residual dry cleaning chemicals tend to harden hand knitted fabric.

Ribbed Top

A simple top in 3 versions, worked in a combination of ribs.

Cast off.

BACK

Work as for front to **.

Cont straight in patt until length from beg armhole shaping measures 18(19,20,21)cm, ending on a WS row. Cast off.

MAKING UP

Press all pieces gently on WS using a warm iron over a damp cloth. With RS tog, using backstitch, join shoulder seams.

Using edge to edge st join side seams.

Neckband With RS facing, using a 4.50mm circular needle, pick up 17(18,19,20) sts down left front neck, 12(16,20,24) sts from holder at centre front, 17(18,19,20) sts up right front neck and 24(28,32,36) sts across centre back neck [70(80,90,100) sts].

(RS) K2(0,3,0) *P2, K3; rep, from * to last 3(0,2,0) sts, P2(0,2,0), K1(0,0,0).

This round forms K3, P2 rib patt.

Note: P sts in pattern on centre front and back neck should match P sts in rib.

Rep this round 11 times (Version 1) or 5 times (Version 2).

Cast off very loosely in rib.

General pattern instructions & abbreviations

TENSION

At the start of each pattern, the required tension is given. Before beginning, it is most important to check your tension by knitting a tension square. Using the yarn, needle size and stitch pattern specified, cast on 40 sts and work approximately 40 rows. Lay work flat and without stretching, measure 10cm both vertically and horizontally. Mark with pins. Count the stitches and rows between the pins, these should match the required tension. If not, try changing up or down a needle size. If your tension is too loose (too few stitches and rows), try smaller needles. If it is too tight (too many stitches and rows), try larger needles. Incorrect tension will result in a mis-shapen piece.

READING GRAPHS

Each square on a graph represents one stitch. Unless otherwise stated, graphs are worked in Stocking Stitch. When working from a graph, read odd rows (RS) from right to left and even rows (WS) from left to right. Graphs may be enlarged by photocopy for easier reading.

YARN QUANTITIES

Yarn quantities given are approximate estimations based on average requirements using specified tension and Jo Sharp yarn.

COLOUR REPRODUCTION

Inaccuracies of some illustrated yarn shades in this book are caused by photographic and printing reproduction processes that are unavoidable. To avoid disappointment, it is advisable to view an actual yarn sample before purchasing yarn.

PATTERN ERRORS

Whilst we endeavour to provide accurate patterns for publication, unfortunately sometimes errors are published. We apologise for any inconvenience caused to you if you encounter an error, however we do not accept liability. Prior to starting a project, we suggest you read through the pattern and see your local yarn store or refer to our website for the most recent corrections. Should you discover a pattern error not listed on our website, we would appreciate advice via email. We also welcome your pattern enquiry by email.
