Blanket: (Make 1)

Begin working in the round with **MC** & hook 5.5 mm (I), (Diagram 1, pages 5 & 6). **NOTE:** Hdc joining method is used when working shell rounds. The rounds are joined with hdc, instead of (ch 1 & sl st) as you would normally do. This brings your starting position to the right and makes it easier to begin next round.

To begin: ch 3; join ch with a sl st to form a ring (or start with a magic loop)

Rnd 1: ch 1; 6 sc in ring; sl st in top of beg st = 6 sts

Rnd 2: ch 1; 2 sc in ea st around; sl st in top of beg st = 12 sts

Rnd 3: ch 1; 2 sc in ea st around; sl st in top of beg st = 24 sts

Rnd 4: ch 1; sc in ea st around; sl st in top of beg st = 24 sts

Finishing: fasten off & weave in all the ends on WS; wet block the blanket.

NOTE: If your rug turned out smaller, it means your gauge was slightly off and your blanket may be ruffling. Not to worry, the ruffling will be solved by wet-blocking to the specified measurements.

Finishing:

- Place the muzzle onto the head, approx 1 round above the neck edge. Whip stitch the muzzle around the edge, leaving some space at the end for stuffing.

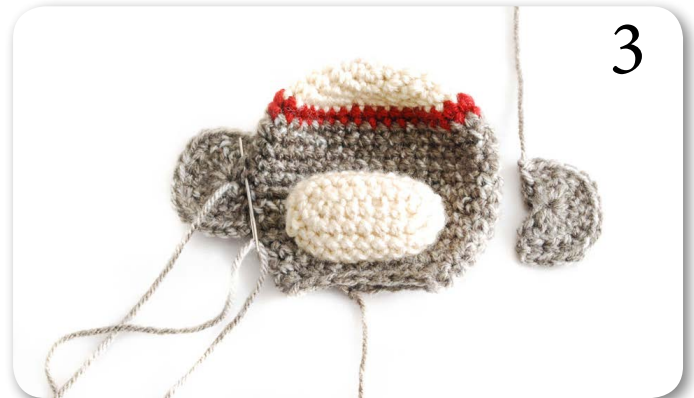

1

- Stuff the muzzle & complete sewing.

2

- Whip stitch the ears to the head around entire edge.

3

- Chain stitch the smile using **RC**.

4

- Cross stitch nostrils with BC.

- Back stitch the eyes to the head, placing them right up against the muzzle, & straight stitch the eyebrows.

- **Monkey with Pom-Pom:** make a Pom-Pom as described on page 4; slide both center strings between stitches on the top of the head; tie & secure them inside of the head.

- Stuff the head firmly (for both - Monkey with Pom-Pom & Monkey Girl with Bow).

- Place the head in the center of the blanket & whip stitch the head around entire edge.

- Whip stitch the opening on each arm with **MC**; then, using the same yarn tail, whip stitch the arms to the blanket, placing them closely to the neck.

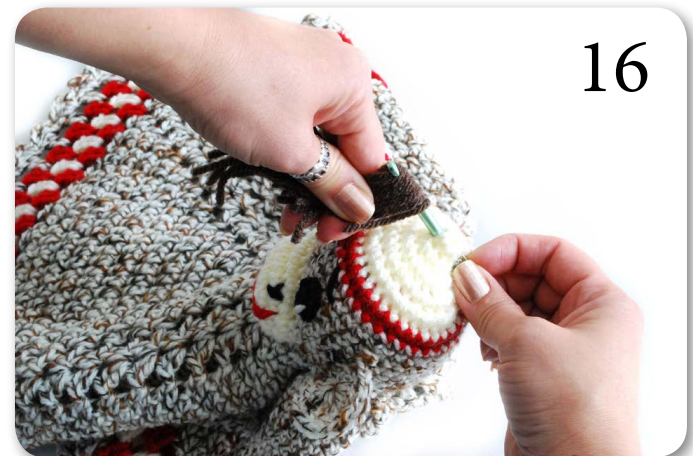

- Whip stitch the tail to the blanket around opened edge, placing it approx 3-4 shell rounds below the head.

- **Monkey-Girl with Bow:** wrap **BC** 12-15 times around 4 fingers, then slide the yarn bundle off of your fingers & cut the loops on one side (you will have 12-15 even pieces of hair).

- Using a crochet hook, pull all hair pieces through the stitches on the top of the head (photo 16 & 17).

17

- Cut another long strand of **BC** (approx 50") and fold it in half. Holding all hair pieces up, loop the long strand around the hair & wrap it around to create a hair-bun around the ponytail. Tie the ends to secure & pull them up through the bun (photos 18, 19, & 20).

18

19

20

- Trim the ends & sew the bow to the front of the hair-bun.
