

PRECIOUS MOMENTS[®]

DOLLS TO CROCHET

Book 2

INTRODUCTION

Welcome the latest additions to our Precious Moments® family of crocheted dolls! This second leaflet in the series brings you four new, lovable figures to create. Modeled after figurines from the famous line of collectibles, the dolls are crocheted using sport weight yarn. Their teardrop eyes are embroidered with floss to capture the tenderness that has endeared them to collectors for decades. Celebrate a wedding with a blissful bride and groom, or share the blessings of friendship by giving the lavender set to someone dear. Perhaps you know a gardener with a special love for God's creations? She'd be certain to find a kindred spirit in our pink set! A basic doll pattern gives shape to all four figures, while instructions for the individual dolls guide you through the completion of their unique details, including clothing. See Leisure Arts Leaflet #3189 to create the first four Precious Moments® dolls, as well — you'll love crafting all these sweet crocheted charmers!

GAUGE

Exact gauge is **essential** for proper size and fit. Before beginning your project, make the sample swatch given in the individual instructions in the yarn and hook specified. After completing the swatch, measure it, counting your stitches and rows carefully. If your swatch is larger or smaller than specified, **make another, changing hook size to get the correct gauge**. Keep trying until you find the size hook that will give you the specified gauge.

HINTS

As in all crocheted pieces, good finishing techniques make a big difference in the quality of the piece. Make a habit of taking care of loose ends as you work. Thread a yarn or tapestry needle with the yarn end. With **wrong** side facing, weave the needle through several inches, then reverse the direction and weave it back through several inches. When ends are secure, clip them off close to work.

MARKERS

Markers are used to help distinguish the beginning of each round being worked. Place a 2" scrap piece of yarn before the first stitch of each round, moving marker after each round is complete.

JOINING WITH SC

When instructed to join with sc, begin with a slip knot on hook. Insert hook in stitch or space indicated, YO and pull up a loop, YO and draw through both loops on hook.

EMBROIDERY STRAIGHT STITCH

Straight Stitch is just what the name implies, a single, straight stitch. Come up at 1 and go down at 2 (Fig. 6). Stitches may fit close together, and be different lengths. They may be worked side by side or in an irregular manner. The stitches should not be too long or too loose.

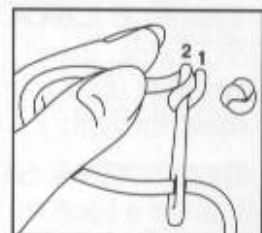

Fig. 6

FRENCH KNOT

Bring needle up at 1. Wrap yarn or floss desired number of times around needle and insert needle at 2, holding end of yarn with non-stitching fingers (Fig. 7). Tighten knot; then pull needle through, holding yarn or floss until it must be released.

Fig. 7

BACKSTITCH

The backstitch is worked from right to left. Come up at 1, go down at 2 and come up at 3 (Fig. 8a). The second stitch is made by going down at 1 and coming up at 4 (Fig. 8b). Continue in same manner.
