Potholder Collection - Set 2

Pattern #PB085

Edited By: Maggie Weldon

Intermediate Skill

Sizes:

Granny Basket - About 7½" wide and 9" long

Circular Fan - About 7" diameter

Clock - About 5" diameter

Granny Rose - About 5" square

Black & White - About 5¼" diameter

Red & Cream Dress - About 7" wide and 6" long

NOTE: If you want to use the finished vintage potholder in the kitchen, I suggest lining them with either a store-bought potholder or layers of cotton quilt batting. Another idea is to place hot cookware on the back side of your potholder to protect the front from scorch marks. I have seen a few old potholders with a cotton backing added to them showing signs of scorching. The front of the potholder is like new but the back shows all the wear and tear from use.
