Scraps of bright pink for waistband and neck facing
Crochet cotton in several colors for hat and sweater
No. 1 steel crochet hook

Finished Size: Doll is about 30 inches tall.

HOW TO DO IT:

Doll:

Enlarge doll pattern. Using red fabric for shoes and muslin for all other pieces, cut pattern pieces from fabric $\frac{1}{4}$ inch larger all around to allow for seam.

Face Details: Center tracing of face details on head of doll body. With dressmaker carbon, trace face details and embroider in place: eye outline, lashes, eyebrows, and nose in black outline stitch; iris in turquoise satin stitch; freckles in brown french knots; mouth in red outline stitch.

Assembling Pieces: Leg/Shoe: Sew one shoe piece to one leg piece for 4 shoe/leg units. Leaving top open for stuffing, sew 2 pieces together for each leg. Turn. Stuff piece tightly up to dotted line on pattern. Stitch across leg from side so leg will bend at knee. Stuff leg top lightly. Sew top closed.

Arms: Sew 2 pieces together for each arm. Turn. Stuff arm tightly to dotted line. Pin arm at dotted line so that seams touch at center. Stitch across arm at dotted line, then stuff top of arm lightly. Sew top closed.

Body: Just below each shoulder is an area marked with a small line. Leave this area open at each side to insert arms. With right sides together, sew body sides, sew around head and shoulders. Turn. Fold top of arm in half, insert and sew arms in place. Place legs at bottom of doll and sew to front edge of body. Stuff body tightly and sew bottom closed.

Hair: Following stitch detail, sew hair in

place as follows: Allowing each strand to be 4 inches long, sew around seam at top of head from "ear" to "ear". Working in the same manner, sew 2 more rows behind the first. Fill in back area with straight rows. When hair is in place, cut all loops. Trim hair evenly and trim bangs at top of face.

Stockings: Sew several rows of chain stitch around top of shoe. Sew a piece of yarn in place for shoe tie.

DRESS OUTFIT

Enlarge all pieces, each square equals 1 inch. Cut all pieces $\frac{1}{4}$ inch larger all around to allow for seams.

Dress: Sew shoulder seams. Sew elastic and hem in place on arms; sew underarm seams. Stitch the 2 skirt pieces together. Match dress top to skirt. At center back of blouse, cut blouse open, then skirt open for 2 inches. Sew elastic in place around top of skirt, then sew skirt to blouse. Sew rickrack in place to face neck and back opening. Sew snap in place. Adjust dress on doll and stitch hem in place.

Panties: Sew center seam at front and back. Hem, then sew elastic in place around top and legs. Fold and sew inner-leg seam across entire unit.

PANTS OUTFIT

Enlarge all pieces, each square equals 1 inch. Cut all pieces $\frac{1}{4}$ inch larger all around to allow for seams.

Top: From red cotton fabric, cut front, back, and sleeves. Sew shoulder seams, sew sleeves in place at armhole. Sew underarm and side seams. Fold pink fabric strip over neck edge for facing, sew in place.
